

BIG LIST OF FREE CE #6 FOR ILNA POINTS

Are you looking for free or low-cost continuing education (CE) programs for certification renewal? ONCC compiled this list of more than 25 free continuing education offerings for ILNA points. You may be able to use some of these offerings to fulfill your requirements for certification renewal.

Check your learning plan (test score report or Individual Learning Needs Assessment results report) to determine subject areas where you may need points. (If you need to take your assessment, be sure to do that before completing CE.) Some offerings may apply to more than one category, but you cannot claim ILNA points for the same activity twice. These offerings do not need to be divided among multiple categories.

Some of these offerings are time-limited and may require registration with the provider.

**34+ FREE
ILNA POINTS**

- 1. A Brave New World: The Clinical Management of Bone Marrow Failure and Myeloid Malignancy in a Time of Personalized Therapy** (3.5 Points)
Cleveland Clinic Foundation Center for Continuing Education ▪ www.clevelandclinimed.com/online/webcasts/clinical-management-mds-mpn
