

BIG LIST OF FREE CE FOR ILNA POINTS #9

Are you looking for free or low-cost continuing education (CE) programs for certification renewal? ONCC compiled this list of more than 25 free continuing education offerings for renewal points. You may be able to use some of these offerings to fulfill your requirements for certification renewal.

Check your learning plan (test results report or assessment results report) to determine subject areas where you may need points. (If you need to take your assessment, be sure to do that before completing CE.) Some offerings may apply to more than one category, but you cannot claim points for the same activity twice. These offerings do not need to be divided among multiple categories.

Some of these offerings are time-limited and may require registration with the provider.

40+ FREE POINTS

- 1. A Physician's Practical Guide to Culturally Competent Care** **9.0 Points**
US Department of Health and Human Services ▪ https://cccm.thinkculturalhealth.hhs.gov/GUIs/GUI_CEU_info.asp
