

# ILNA CHEAT SHEET | ONCS CONGRESS

One contact hour equals one renewal point. Refer to the number of contact hours for each session to determine the number of points. Some sessions may apply to more than one category, but you cannot claim points for the same session twice.

## CANCER CONTINUUM

WEDNESDAY, APRIL 27, 2022

- 1:00 PM - Deciphering the Specialty of Oncology Radiation **2 Points**
- 1:00 PM - Tools of the Trade: Communicating Sensitive Topics **2 Points**
- 3:15 PM - Financial Toxicity's Burden on Cancer Care During the COVID-19 Pandemic **2 Points**
- 3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to Patient Requests **2 Points**

THURSDAY, APRIL 28, 2022

- 10:00 AM - Nutritional Care for Patients Receiving Radiation Therapy **1 Point**
- 3:00 PM - Addressing Social and Structural Determinants of Health **1 Point**
- 3:00 PM - Project Presentations: The Never-Ending Fight, Falls Prevention **1 Point**
- 3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors **1 Point**
- 3:00 PM - Survivorship Care Models: One Size Does Not Fit All **1 Point**
- 4:15 PM - Fertility Preservation: Preparing for the Future Before the Clock Runs Out **1.25 Points**

FRIDAY, APRIL 29, 2022

- 8:15 AM - Mara Mogensen Flaherty Memorial Lectureship **1.5 Points**
- 11:15 AM - Research Oral Abstract Presentations **1 Point**
- 3:00 PM - Radiation Toxicities (Part II): Late and Long-Term Effects **1 Point**

SATURDAY, APRIL 30, 2022

- 10:00 AM - Brachytherapy for Gynecologic Cancers **1 Point**
- 10:00 AM - Social Determinants of Health: A Framework for Addressing Cancer Health Equity **1 Point**
- 3:00 PM - Role of Radiation in Palliative and End-of-Life Care **1 Point**

## CARE OF THE PEDIATRIC HEMATOLOGY/ONCOLOGY PATIENT

SATURDAY, APRIL 30, 2022

- 10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28 **1 Point**

SUNDAY, MAY 1, 2022

- 8:15 AM - Pharmacology Update **1.5 Points**

## COORDINATION OF CARE

WEDNESDAY, APRIL 27, 2022

- 3:15 PM - Financial Toxicity's Burden on Cancer Care During the COVID-19 Pandemic **2 Points**

THURSDAY, APRIL 28, 2022

- 3:00 PM - Addressing Social and Structural Determinants of Health **1 Point**
- 3:00 PM - Project Presentations: The Never-Ending Fight, Falls Prevention **1 Point**

SATURDAY, APRIL 30, 2022

- 10:00 AM - Social Determinants of Health: A Framework for Addressing Cancer Health Equity **1 Point**
- 3:00 PM - Role of Radiation in Palliative and End-of-Life Care **1 Point**

## EARLY POST-TRANSPLANT MANAGEMENT AND EDUCATION

THURSDAY, APRIL 28, 2022

- 10:00 AM - Nutritional Care for Patients Receiving Radiation Therapy **1 Point**
  - 3:00 PM - Metabolic Oncologic Emergencies: Early Recognition and Management **1 Point**
- SATURDAY, APRIL 30, 2022
- 3:00 PM - Improving Quality of Life With Acupuncture, Acupressure, and Oncology Massage **1 Point**

## FOUNDATIONS OF TRANSPLANT

SATURDAY, APRIL 30, 2022

- 10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28 **1 Point**

## HEALTH MAINTENANCE

THURSDAY, APRIL 28, 2022

- 4:15 PM - Fertility Preservation: Preparing for the Future Before the Clock Runs Out **1.25 Points**

## LATE POST-TRANSPLANT MANAGEMENT AND EDUCATION

FRIDAY, APRIL 29, 2022

- 3:00 PM - Radiation Toxicities (Part II): Late and Long-Term Effects **1 Point**

## ONCOLOGIC EMERGENCIES

WEDNESDAY, APRIL 27, 2022

3:15 PM - Complex Cases and Acute Management of Emergent Complications in Cancer Care **2 Points**

THURSDAY, APRIL 28, 2022

3:00 PM - Metabolic Oncologic Emergencies: Early Recognition and Management **1 Point**

3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors **1 Point**

FRIDAY, APRIL 29, 2022

10:00 AM - Radiation Toxicities (Part I): Acute Side Effects **1 Point**

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28 **1 Point**

## ONCOLOGY NURSING PRACTICE

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation **2 Points**

1:00 PM - Precision Health: Progress and Pitfalls for Improving Person-Centered Care in Symptom Science **2 Points**

1:00 PM - Tools of the Trade: Communicating Sensitive Topics **2 Points**

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to Patient Requests **2 Points**

3:15 PM - Financial Toxicity's Burden on Cancer Care During the COVID-19 Pandemic **2 Points**

THURSDAY, APRIL 28, 2022

8:15 AM - Opening Ceremony and Keynote Address **1.5 Points**

10:00 AM - Best of Oral Abstracts: Advanced Practice **1 Point**

10:00 AM - Best of Oral Abstracts: Clinical Practice **1 Point**

10:00 AM - Best of Oral Abstracts: Leadership/Management/Education **1 Point**

10:00 AM - Best of Oral Abstracts: Quality Improvement **1 Point**

10:00 AM - Capture Your Audience With Innovative Education **1 Point**

10:00 AM - Implementation Science: Bridging Research and Clinical Practice **1 Point**

10:00 AM - Making the Case for DNP and PhD Collaboration **1 Point**

11:15 AM - Best of Oral Abstracts: Research **1 Point**

1:45 PM - Research Grant Funding Panel: Current Opportunities and Strategies for Successful Applications **1 Point**

3:00 PM - Addressing Social and Structural Determinants of Health **1 Point**

3:00 PM - Mentorship and Career Development for Oncology Nurse Leaders **1 Point**

3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors **1 Point**

3:00 PM - Project Presentations: Developing New Oncology Nurses **1 Point**

3:00 PM - Project Presentations: Prevention of Treatment Toxicities **1 Point**

3:00 PM - Project Presentations: Various Roles of the APN **1 Point**

FRIDAY, APRIL 29, 2022

6:00 AM - ONCC Recognition Breakfast for Oncology Certified Nurses **1 Point**

8:15 AM - Mara Mogensen Flaherty Memorial Lectureship **1.5 Points**

10:00 AM - Ambulatory Float Pool and Competency Development for Oncology Nurses **1 Point**

10:00 AM - APRN Led Clinics: Optimizing Patient Care Outside of the Hospital **1 Point**

10:00 AM - Enhancing Evidence-Based Practice for Direct Care Nurses **1 Point**

10:00 AM - Project Presentations: APN Supporting Staff and Patients **1 Point**

10:00 AM - Project Presentations: Improving Patient Outcomes through Care Delivery **1 Point**

10:00 AM - Project Presentations: Management of Complex Scenarios **1 Point**

10:00 AM - Project Presentations: Updates in CLABSI Reduction **1 Point**

11:15 AM - Research Oral Abstract Presentations **1 Point**

1:45 PM - Research Abstract Critique **1 Point**

3:00 PM - Demystifying Cooperative Groups **1 Point**

3:00 PM - Enhancing Nurse Well-Being by Promoting and Fostering Vicarious Resiliency **1 Point**

3:00 PM - Oncology Program Accreditation: Beyond Limits **1 Point**

3:00 PM - Project Presentations: Improving Care in the Ambulatory Setting **1 Point**

3:00 PM - Project Presentations: Innovations for Improving Practice **1 Point**

3:00 PM - Project Presentations: Late-Breaking Advanced Practice **1 Point**

3:00 PM - Project Presentations: Tools to Standardize Education for Practice **1 Point**

3:00 PM - Shaping Excellence Through Advanced Practice Onboarding **1 Point**

4:15 PM - Improving Quality Care for the LGBTQIA+ Community: Exploring the Lived Experience **1.25 Points**

SATURDAY, APRIL 30, 2022

8:15 AM - ONS Distinguished Nurse Researcher Award Lectureship **1.5 Points**

10:00 AM - Brachytherapy for Gynecologic Cancers **1 Point**

10:00 AM - Certification Pearls: Preparation, Virtual Review Courses, and Test Strategies **1 Point**

10:00 AM - Establish a Culture of Safety in Oncology Nursing Practice **1 Point**

10:00 AM - Ethical Considerations in the Changing Landscape of Oncology Research **1 Point**

10:00 AM - Project Presentations: Developing the Oncology Nurse **1 Point**

10:00 AM - Project Presentations: Enhancing the Role of the Nurse **1 Point**

11:15 AM - Victoria Mock New Investigator Award **1 Point**

## ONCOLOGY NURSING PRACTICE

SATURDAY, APRIL 30, 2022

1:45 PM - ONS Distinguished Researchers and Victoria Mock New Investigators: A Panel Discussion **1 Point**

3:00 PM - Innovative Solutions to Sustain Nursing Research During a Pandemic **1 Point**

3:00 PM - Mission Possible: Enhancing Oncology Nurse Recruitment and Retention **1 Point**

3:00 PM - Patient-Reported Outcomes to Improve Clinical Care and the Patient Experience **1 Point**

3:00 PM - Project Presentations: Late-Breaking Clinical Practice **1 Point**

3:00 PM - Project Presentations: Late-Breaking Leadership/Management/Education **1 Point**

3:00 PM - Project Presentations: Late-Breaking Quality Improvement **1 Point**

4:15 PM - AACR/ONS Bench to Bedside: Personalized Cancer Vaccines: Antigen Selection and Translation into the Clinic **1.25 Points**

SUNDAY, MAY 1, 2022

10:00 AM - COVID-19: The Impact on Cancer Care **1.5 Points**

## PROFESSIONAL PRACTICE

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation **2 Points**

1:00 PM - Precision Health: Progress and Pitfalls for Improving Person-Centered Care in Symptom Science **2 Points**

1:00 PM - Tools of the Trade: Communicating Sensitive Topics **2 Points**

3:15 PM - Financial Toxicity's Burden on Cancer Care During the COVID-19 Pandemic **2 Points**

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to Patient Requests **2 Points**

THURSDAY, APRIL 28, 2022

8:15 AM - Opening Ceremony and Keynote Address **1.5 Points**

10:00 AM - Best of Oral Abstracts: Advanced Practice **1 Point**

10:00 AM - Best of Oral Abstracts: Clinical Practice **1 Point**

10:00 AM - Best of Oral Abstracts: Leadership/Management/Education **1 Point**

10:00 AM - Best of Oral Abstracts: Quality Improvement **1 Point**

10:00 AM - Capture Your Audience With Innovative Education **1 Point**

10:00 AM - Implementation Science: Bridging Research and Clinical Practice **1 Point**

10:00 AM - Making the Case for DNP and PhD Collaboration **1 Point**

11:15 AM - Best of Oral Abstracts: Research **1 Point**

1:45 PM - Research Grant Funding Panel: Current Opportunities and Strategies for Successful Applications **1 Point**

3:00 PM - Addressing Social and Structural Determinants of Health **1 Point**

3:00 PM - Mentorship and Career Development for Oncology Nurse Leaders **1 Point**

3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors **1 Point**

3:00 PM - Project Presentations: Developing New Oncology Nurses **1 Point**

3:00 PM - Project Presentations: Prevention of Treatment Toxicities **1 Point**

3:00 PM - Project Presentations: Various Roles of the APN **1 Point**

FRIDAY, APRIL 29, 2022

6:00 AM - ONCC Recognition Breakfast for Oncology Certified Nurses **1 Point**

8:15 AM - Mara Mogensen Flaherty Memorial Lectureship **1.5 Points**

10:00 AM - Ambulatory Float Pool and Competency Development for Oncology Nurses **1 Point**

10:00 AM - APRN Led Clinics: Optimizing Patient Care Outside of the Hospital **1 Point**

10:00 AM - Enhancing Evidence-Based Practice for Direct Care Nurses **1 Point**

10:00 AM - Project Presentations: APN Supporting Staff and Patients **1 Point**

10:00 AM - Project Presentations: Improving Patient Outcomes through Care Delivery **1 Point**

10:00 AM - Project Presentations: Management of Complex Scenarios **1 Point**

10:00 AM - Project Presentations: Updates in CLABSI Reduction **1 Point**

11:15 AM - Research Oral Abstract Presentations **1 Point**

1:45 PM - Research Abstract Critique **1 Point**

3:00 PM - Demystifying Cooperative Groups **1 Point**

3:00 PM - Enhancing Nurse Well-Being by Promoting and Fostering Vicarious Resiliency **1 Point**

3:00 PM - Oncology Program Accreditation: Beyond Limits **1 Point**

3:00 PM - Project Presentations: Improving Care in the Ambulatory Setting **1 Point**

3:00 PM - Project Presentations: Innovations for Improving Practice **1 Point**

3:00 PM - Project Presentations: Late-Breaking Advanced Practice **1 Point**

3:00 PM - Project Presentations: Tools to Standardize Education for Practice **1 Point**

3:00 PM - Shaping Excellence Through Advanced Practice Onboarding **1 Point**

4:15 PM - Improving Quality Care for the LGBTQIA+ Community: Exploring the Lived Experience **1.25 Points**

SATURDAY, APRIL 30, 2022

1:45 PM - ONS Distinguished Researchers and Victoria Mock New Investigators: A Panel Discussion **1 Point**

10:00 AM - Brachytherapy for Gynecologic Cancers **1 Point**

10:00 AM - Certification Pearls: Preparation, Virtual Review Courses, and Test Strategies **1 Point**

10:00 AM - Establish a Culture of Safety in Oncology Nursing Practice **1 Point**

10:00 AM - Ethical Considerations in the Changing Landscape of Oncology Research **1 Point**

10:00 AM - Project Presentations: Developing the Oncology Nurse

1 Point

10:00 AM - Project Presentations: Enhancing the Role of the Nurse

1 Point

11:15 AM - Victoria Mock New Investigator Award

1 Point

1:45 PM - ONS Distinguished Researchers and Victoria Mock New

Investigators: A Panel Discussion

1 Point

3:00 PM - Innovative Solutions to Sustain Nursing Research During a

Pandemic

1 Point

3:00 PM - Mission Possible: Enhancing Oncology Nurse Recruitment

and Retention

1 Point

3:00 PM - Patient-Reported Outcomes to Improve Clinical Care and the

Patient Experience

1 Point

3:00 PM - Project Presentations: Late-Breaking Clinical Practice

1 Point

3:00 PM - Project Presentations: Late-Breaking Leadership/

Management/Education

1 Point

3:00 PM - Project Presentations: Late-Breaking Quality Improvement

1 Point

4:15 PM - AACR/ONS Bench to Bedside: Personalized Cancer Vaccines:

Antigen Selection and Translation into the Clinic

1.25 Points

SUNDAY, MAY 1, 2022

10:00 AM - COVID-19: The Impact on Cancer Care

1.5 Points

## PSYCHOSOCIAL

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation

2 Points

1:00 PM - Tools of the Trade: Communicating Sensitive Topics

2 Points

3:15 PM - Financial Toxicity's Burden on Cancer Care During the

COVID-19 Pandemic

2 Points

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to

Patient Requests

2 Points

THURSDAY, APRIL 28, 2022

3:00 PM - Addressing Social and Structural Determinants of Health

1 Point

4:15 PM - Fertility Preservation: Preparing for the Future Before the

Clock Runs Out

1.25 Points

FRIDAY, APRIL 29, 2022

8:15 AM - Mara Mogensen Flaherty Memorial Lectureship

1 Point

11:15 AM - Research Oral Abstract Presentations

1 Point

3:00 PM - Enhancing Nurse Well-Being by Promoting and Fostering

Vicarious Resiliency

1 Point

4:15 PM - Improving Quality Care for the LGBTQIA+ Community:

Exploring the Lived Experience

1.25 Points

SATURDAY, APRIL 30, 2022

10:00 AM - Brachytherapy for Gynecologic Cancers

1 Point

10:00 AM - Social Determinants of Health: A Framework for Addressing

Cancer Health Equity

1 Point

## QUALITY OF LIFE

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation

2 Points

1:00 PM - Tools of the Trade: Communicating Sensitive Topics

2 Points

3:15 PM - Financial Toxicity's Burden on Cancer Care During the

COVID-19 Pandemic

2 Points

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to

Patient Requests

2 Points

THURSDAY, APRIL 28, 2022

10:00 AM - Nutritional Care for Patients Receiving Radiation Therapy

1 Point

3:00 PM - Addressing Social and Structural Determinants of Health

1 Point

3:00 PM - Project Presentations: The Never-Ending Fight, Falls

Prevention

1 Point

4:15 PM - Fertility Preservation: Preparing for the Future Before the

Clock Runs Out

1.25 Points

FRIDAY, APRIL 29, 2022

8:15 AM - Mara Mogensen Flaherty Memorial Lectureship

1 Point

11:15 AM - Research Oral Abstract Presentations

1 Point

3:00 PM - Radiation Toxicities (Part II): Late and Long-Term Effects

1 Point

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28

1 Point

10:00 AM - Social Determinants of Health: A Framework for Addressing

Cancer Health Equity

1 Point

3:00 PM - Role of Radiation in Palliative and End-of-Life Care

1 Point

## ROLES OF THE APRN

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation

2 Points

1:00 PM - Tools of the Trade: Communicating Sensitive Topics

2 Points

1:00 PM - Precision Health: Progress and Pitfalls for Improving Person-

Centered Care in Symptom Science

2 Points

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to

Patient Requests

2 Points

THURSDAY, APRIL 28, 2022

10:00 AM - Best of Oral Abstracts: Advanced Practice

1 Point

10:00 AM - Best of Oral Abstracts: Clinical Practice

1 Point

10:00 AM - Best of Oral Abstracts: Leadership/Management/Education

1 Point

10:00 AM - Best of Oral Abstracts: Quality Improvement

1 Point

10:00 AM - Capture Your Audience With Innovative Education

1 Point

10:00 AM - Implementation Science: Bridging Research and Clinical

Practice

1 Point

10:00 AM - Making the Case for DNP and PhD Collaboration

1 Point

11:15 AM - Best of Oral Abstracts: Research

1 Point

1:45 PM - Research Grant Funding Panel: Current Opportunities and

Strategies for Successful Applications

1 Point

3:00 PM - Addressing Social and Structural Determinants of Health

1 Point

3:00 PM - Mentorship and Career Development for Oncology Nurse Leaders

1 Point

3:00 PM - Project Presentations: Developing New Oncology Nurses

1 Point

3:00 PM - Project Presentations: Prevention of Treatment Toxicities

1 Point

3:00 PM - Project Presentations: The Never-Ending Fight, Falls Prevention

1 Point

3:00 PM - Project Presentations: Various Roles of the APN

1 Point

3:00 PM - Survivorship Care Models: One Size Does Not Fit All

1 Point

FRIDAY, APRIL 29, 2022

10:00 AM - Ambulatory Float Pool and Competency Development for Oncology Nurses

1 Point

10:00 AM - APRN Led Clinics: Optimizing Patient Care Outside of the Hospital

1 Point

10:00 AM - Enhancing Evidence-Based Practice for Direct Care Nurses

1 Point

10:00 AM - Project Presentations: APN Supporting Staff and Patients

1 Point

10:00 AM - Project Presentations: Improving Patient Outcomes through Care Delivery

1 Point

10:00 AM - Project Presentations: Management of Complex Scenarios

1 Point

1:45 PM - Demystifying Cooperative Groups

1 Point

3:00 PM - Enhancing Nurse Well-Being by Promoting and Fostering Vicarious Resiliency

1 Point

3:00 PM - Oncology Program Accreditation: Beyond Limits

1 Point

3:00 PM - Project Presentations: Innovations for Improving Practice

1 Point

3:00 PM - Project Presentations: Late-Breaking Advanced Practice

1 Point

3:00 PM - Project Presentations: Tools to Standardize Education for Practice

1 Point

3:00 PM - Shaping Excellence Through Advanced Practice Onboarding

1 Point

4:15 PM - Improving Quality Care for the LGBTQIA+ Community: Exploring the Lived Experience

1.25 Points

SATURDAY, APRIL 30, 2022

10:00 AM - Social Determinants of Health: A Framework for Addressing Cancer Health Equity

1 Point

10:00 AM - Ethical Considerations in the Changing Landscape of Oncology Research

1 Point

11:15 AM - Victoria Mock New Investigator Award

1 Point

1:45 PM - ONS Distinguished Researchers and Victoria Mock New Investigators: A Panel Discussion

1 Point

3:00 PM - Mission Possible: Enhancing Oncology Nurse Recruitment and Retention

1 Point

3:00 PM - Patient-Reported Outcomes to Improve Clinical Care and the Patient Experience

1 Point

SUNDAY, MAY 1, 2022

10:00 AM - COVID-19: The Impact on Cancer Care

1.5 Points

## SURVIVORSHIP

WEDNESDAY, APRIL 27, 2022

1:00 PM - Tools of the Trade: Communicating Sensitive Topics

2 Points

3:15 PM - Financial Toxicity's Burden on Cancer Care During the COVID-19 Pandemic

2 Points

THURSDAY, APRIL 28, 2022

3:00 PM - Project Presentations: The Never-Ending Fight, Falls Prevention

1 Point

3:00 PM - Survivorship Care Models: One Size Does Not Fit All

1 Point

4:15 PM - Fertility Preservation: Preparing for the Future Before the Clock Runs Out

1.25 Points

FRIDAY, APRIL 29, 2022

3:00 PM - Radiation Toxicities (Part II): Late and Long-Term Effects

1 Point

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28

1 Point

## SYMPTOM MANAGEMENT

WEDNESDAY, APRIL 27, 2022

1:00 PM - Tools of the Trade: Communicating Sensitive Topics

2 Points

3:15 PM - Complex Cases and Acute Management of Emergent Complications in Cancer Care

2 Points

3:15 PM - Medical Aid in Dying: The Nurse's Role in Giving Voice to Patient Requests

2 Points

THURSDAY, APRIL 28, 2022

10:00 AM - Nutritional Care for Patients Receiving Radiation Therapy

1 Point

3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors

1 Point

3:00 PM - Survivorship Care Models: One Size Does Not Fit All

1 Point

4:15 PM - Fertility Preservation: Preparing for the Future Before the Clock Runs Out

1.25 Points

FRIDAY, APRIL 29, 2022

10:00 AM - Radiation Toxicities (Part I): Acute Side Effects

1 Point

10:00 AM - Symptom Science: State-of-the-Science

1 Point

11:15 AM - Research Oral Abstract Presentations

1 Point

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28

1 Point

10:00 AM - Brachytherapy for Gynecologic Cancers

1 Point

3:00 PM - Improving Quality of Life With Acupuncture, Acupressure, and Oncology Massage

1 Point

3:00 PM - Role of Radiation in Palliative and End-of-Life Care

1 Point

## TRANSPLANT PROCESS AND INFUSION

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation **2 Points**

3:15 PM - Complex Cases and Acute Management of Emergent Complications in Cancer Care **2 Points**

THURSDAY, APRIL 28, 2022

10:00 AM - Central Venous Access Devices: Beyond the Fundamentals **1 Point**

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28 **1 Point**

SUNDAY, MAY 1, 2022

8:15 AM - Pharmacology Update **1.5 Points**

## TREATMENT

WEDNESDAY, APRIL 27, 2022

1:00 PM - Deciphering the Specialty of Oncology Radiation **2 Points**

1:00 PM - Precision Health: Progress and Pitfalls for Improving Person-Centered Care in Symptom Science **2 Points**

3:15 PM - Complex Cases and Acute Management of Emergent Complications in Cancer Care **2 Points**

THURSDAY, APRIL 28, 2022

10:00 AM - Central Venous Access Devices: Beyond the Fundamentals **1 Point**

10:00 AM - Nutritional Care for Patients Receiving Radiation Therapy **1 Point**

3:00 PM - Nurse-Led Radiation Therapy Management for Patients With Central Nervous System Tumors **1 Point**

3:00 PM - Survivorship Care Models: One Size Does Not Fit All **1 Point**

4:15 PM - Fertility Preservation: Preparing for the Future Before the Clock Runs Out **1.25 Points**

FRIDAY, APRIL 29, 2022

10:00 AM - Radiation Toxicities (Part I): Acute Side Effects **1 Point**

3:00 PM - Radiation Toxicities (Part II): Late and Long-Term Effects **1 Point**

SATURDAY, APRIL 30, 2022

10:00 AM - CAR T-Cell Therapy: Care and Considerations Beyond Day 28 **1 Point**

10:00 AM - Brachytherapy for Gynecologic Cancers **1 Point**

3:00 PM - Role of Radiation in Palliative and End-of-Life Care **1 Point**

SUNDAY, MAY 1, 2022

8:15 AM - Pharmacology Update **1.5 Points**

# HAVE QUESTIONS ABOUT RENEWAL?

## Visit ONCC at the Certification Central!

ONCC staff will gladly help you with all of your certification renewal questions.
