

Events and Conferences

This list of CE offerings is not all inclusive. ONCC accepts many other accredited CE programs for ILNA Points.

If you would like to know the applicability of a program not listed, please contact ONCC at 877-769-6622 or oncc@oncc.org.

Some offerings can be applied to multiple content areas, but the number of points claimed cannot exceed the total CE points for the offering.

Conferences/events are added on a monthly basis, so check back frequently.

To search for a specific course or keyword, press the "Ctrl" key and the letter "F" key and enter the term in the pop-up search box.

Updated 9/2018

Conference Name	Course Title/Provider	ILNA Points	Notes
10th Annual Breast Cancer Health Summit	Houston Community College	OCN® renewal candidates: 7.5 ILNA points may be applied toward: Screening.....2 points Treatment Modalities, Psychosocial1.5 points each Professional..... 2.5 points AOCNP® and AOCNS® renewal candidates: 7.5 ILNA points may be applied toward: Screening.....2 points Treatment Modalities, Psychosocial1.5 points each Professional or Coordination of Care 2.5 points	
10th Annual Breast Cancer Health Summit Poster Presentation	Houston Community College	OCN®, CPHON®, CBCN®, AOCNP®, AOCNS® and BMTCN® renewal candidates: 3 ILNA points may be applied toward: Professional.....3 points	
10th Annual Fall Midwest Thoracic and GI Oncology Conference	(GI Session Only) University of Nebraska Medical Center	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 6.5 ILNA points may be applied toward: Treatment Modalities.....6.5 points	
10th Annual Fall Midwest Thoracic and GI Oncology Conference	(Thoracic Session Only) University of Nebraska Medical Center	OCN®, AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Screening/Early Detection1 point Scientific Basis/Diagnosis3 points Treatment Modalities, Symptom Management2 points each	
10th Annual Great Strides Together 2018 - Day 1	Personalized vs. Precision, Let's call it Medicine	1.0 ILNA Points can be applied to any of the following content areas: Disease-Related Biology, Health Promotion/Screening and Early Detection, Professional Performance, Role of the APN, Scientific Basis for Practice, Treatment	Total ILNA points available for Day 1: 6.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
10th Annual Great Strides Together 2018 - Day 1	Gastrointestinal CA	1.0 ILNA Points can be applied to any of the following content areas: Symptom Management, Treatment	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 1	Cardio Oncology	1.0 ILNA Points can be applied to any of the following content areas: Early Post-Transplant Management, Late Post-Transplant Management, Preparative Regimens, Symptom Management, Treatment	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 1	ACUTE LYMPHOBLASTIC LEUKEMIA	1.0 ILNA Points can be applied to any of the following content areas: Early Post-Transplant Management, Late Post-Transplant Management, Preparative Regimens, Symptom Management, Treatment	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 1	FLASCO: WHY YOU SHOULD BELONG & LEGISLATIVE UPDATE	0.5 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 1	ACUTE MYELOID LEUKEMIA	1.0 ILNA Points can be applied to any of the following content areas: Early Post-Transplant Management, Late Post-Transplant Management, Preparative Regimens, Symptom Management, Treatment	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 1	OVARIAN CA	1.0 ILNA Points can be applied to any of the following content areas: Symptom Management, Treatment	Total ILNA points available for Day 1: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Welcome Basic Principles of Cancer Management	0.5 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 2: 6.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Clinical Pearls for the New Advanced Provider	0.75 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Pharmacology I Mechanism and Targets in Medical Oncology	0.5 ILNA Points can be applied to any of the following content areas: Basic Concepts of Transplants, Disease-Related Biology, Preparative Regimens, Professional Practice, Roles of the APN, Scientific Basis for Practice	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Radiation Core Knowledge/Complications	0.5 ILNA Points can be applied to any of the following content areas: Preparative Regimens, Treatment, Symptom Management	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Surgical Approach to Cancer Care	0.5 ILNA Points can be applied to the following content area: Treatment	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Basics of Billing and Coding	0.75 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Hematologic Malignancies: Approach to Understanding Pathogenesis and Treatment	0.75 ILNA Points can be applied to any of the following content areas: Basic Concepts for Transplant, Disease-Related Biology, Preparative Regimens, Scientific Basis for Practice, Treatment	Total ILNA points available for Day 2: 6.5

10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	How do we best learn?	0.5 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Oncologic Emergencies & Symptom Management	0.5 ILNA Points can be applied to any of the following content areas: Early Post-Transplant Management, Late Post-Transplant Management, Oncologic Emergencies, Symptom Management	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Clinical Trials	0.5 ILNA Points can be applied to any of the following content areas: Basic Concepts for Transplant, Disease-Related Biology, Professional Practice, Roles of the APN, Scientific Basis for Practice	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Pathology and How to Understand It	0.5 ILNA Points can be applied to any of the following content areas: Basic Concepts for Transplant, Disease-Related Biology, Professional Practice, Roles of the APN, Scientific Basis for Practice	Total ILNA points available for Day 2: 6.5
10th Annual Great Strides Together 2018 - Day 2 - FLASCO Rapid Integration Course	Lessons Learned	0.5 ILNA Points can be applied to any of the following content areas: Professional Practice, Roles of the APN	Total ILNA points available for Day 2: 6.5
10th Annual Palliative Care Conference	Virginia Nurses Association	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Symptom Management1 point End of Life, Professional3 points each BMTCN® renewal candidates: 7 ILNA points may be applied toward: Professional3 points Post Transplant Issues4 points	
10th Annual Regional Cancer Symposium	Cabell Huntington Hospital	OCN®, AOCNP® and AOCNS® renewal candidates: 10 ILNA points may be applied toward: Screening1 point Scientific Basis2 points Scientific Basis or Treatment1.5 points Treatment Modalities2 points Symptom Management2 points End of Life1.5 points	
11th Annual Breast Cancer Health Summit	Houston Community College	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Screening.....3 points Treatment Modalities.....1 point Psychosocial3.5 points Survivorship..... 0.5 points	
11th Annual Current Perspectives on Palliative Care: Across the Care Continuum	UC Health, University of CO Hospital and Memorial Hospital	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 5 ILNA points may be applied toward: End of Life1.25 points Professional2.5 points Survivorship or End of Life or Professional1.25 points BMTCN® renewal candidates: 5 ILNA points may be applied toward: Professional2.5 points Post-Transplant Issues1.25 points Survivorship or Professional or Post-Transplant Issues1.25 points	
11th Annual Multiple Myeloma Survivorship Conference	Leukemia and Lymphoma Society	OCN®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Scientific Basis0.5 points Treatment Modalities2 points Survivorship.....2.5 points End of Life0.5 points Professional0.5 points	
11th Annual Palliative Care Conference (2015)	Virginia Nurses Association	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Psychosocial1 point End of Life.....4 points Professional2 points BMTCN® renewal candidates: 7 ILNA points may be applied toward: Professional2 points Post Transplant Issues5 points	
12th Annual Best of San Antonio: Breast Cancer-Bench to Bedside	IMEDEX	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 4.5 ILNA points may be applied toward: Treatment2.25 points Professional2.25 points	
12th Annual Healing Healthcare Conference (Health East)	WI Nurses Association	OCN®, CBCN®, CPHON®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Professional7 points	
12th Annual Oncology Spring Forum - Emerging Concepts in Cancer Care	Aspirus Inc.	OCN®, AOCNP® and AOCNS® renewal candidates: 6.67 ILNA points may be applied toward: Screening, Scientific Basis, Symptom Management1.0 point each Treatment Modalities3.67 points	
12th Annual Oncology Spring Forum: Emerging Concepts in Cancer Care	Aspirus Regional Cancer Center	OCN®, AOCNP® and AOCNS® renewal candidates: 6.5 ILNA points may be applied toward: Screening0.75 points Scientific Basis1.75 points Scientific Basis or Psychosocial0.75 points Treatment Modalities3.25 points	
12th Annual Palliative Care Conference (2016)	Virginia Nurses Association	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 6.75 ILNA points may be applied toward: Treatment Modalities or Symptom Management.....0.75 points Psychosocial, End of Life3 points each BMTCN® renewal candidates: 6 ILNA points may be applied toward: Post Transplant Issues6 points	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	One Mutant Cell	1 ILNA Point in Scientific Basis for Practice OR Disease-Related Biology	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	New Frontiers in Gynecologic Oncology	1 ILNA Point in Scientific Basis for Practice OR Diagnosis and Staging OR Treatment	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Survivorship	1 ILNA Point in Survivorship	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Spirituality in Oncology	1 ILNA Point in Professional Practice OR Psychosocial OR Navigation	

13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Chemotherapy-Induced Nausea and Vomiting	1 ILNA Point in Palliative Care OR Symptom Management	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Immunotherapy and Neuro Oncology	1 ILNA Point in Scientific Basis for Practice OR Treatment OR Disease-Related Biology	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Breast Cancer Panel	2 ILNA Points in Coordination of Care OR Diagnosis and Staging OR Treatment OR Navigation	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	New Drugs	1 ILNA Point in Treatment	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	CAR T-cell Therapy	1 ILNA Point in Treatment OR Preparative Regimens OR Symptom Management OR Early Post-Transplant Management	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Pancreatic Cancer	1 ILNA Point in Scientific Basis OR Treatment	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	End of Life	1 ILNA Point in End-of-Life OR Professional Practice	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Colon Cancer	1 ILNA Point in Scientific Basis OR Treatment	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Medical Cannabis	1.5 ILNA Points in Professional Performance OR Symptom Management OR Palliative Care	
13th Annual Embracing Excellence in Oncology Nursing Practice 2018	Obesity and Oncology	1 ILNA Point in Coordination of Care OR Navigation OR Health Promotion/Screening and Early Detection OR Survivorship OR Psychosocial	
13th Annual International Congress on the Future of Breast cancer	Physicians Education Resource	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 19.25 ILNA points may be applied toward: Screening.....2 points Scientific Basis.....5 points Treatment Modalities.....12.25 points	
13th Annual Oncology Care Update (OCU) 2013	ONS (San Francisco Bay Area ONS)	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Scientific Basis, Treatment, Survivorship, End of Life1 point each Symptom Management, Professional2 points each CPHON® renewal candidates: 8 ILNA points may be applied toward: Treatment, Survivorship, End of Life, Disease Related Bio1 point each Symptom Management, Professional2 points each BMTCN® renewal candidates: 2 ILNA points may be applied toward: Survivorship1 point Professional, Preparative Regimens2 points each Post Transplant Issues3 points	
13th Annual Winter Lung Cancer Conference	Research to Practice	OCN® renewal candidates: 10.25 ILNA points may be applied toward: Scientific Basis/Diagnosis, Professional1 point each Treatment Modalities.....8.25 points AOCNP® and AOCNS® renewal candidates: 10.25 ILNA points may be applied toward: Scientific Basis/Diagnosis, Roles of the APN.....1 point each Treatment Modalities.....8.25 points	
13th Annual Women's Cancer Conference Progress in Women's Cancers from Treatment to Survivorship	City of Hope	OCN® renewal candidates: 16.5 ILNA points may be applied toward: Screening1.5 points Scientific Basis4 points Treatment Modalities.....5.5 points Symptom Management.....2.3 points Psychosocial, Survivorship, End of Life, Professional0.80 points each	
14th Annual Lung Cancer Conference (Day 1)	Research to Practice	Day 1 OCN®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Scientific Basis/Diagnosis.....0.75 points	
14th Annual Lung Cancer Conference (Day 2)	Research to Practice	Day 2 OCN®, AOCNP® and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Scientific Basis/Diagnosis.....3.75 points Treatment.....1.5 points Treatment or End of Life1 point	
14th Annual Lung Cancer Conference (Day 3)	Research to Practice	Day 3 OCN®, AOCNP® and AOCNS® renewal candidates: 3.75 ILNA points may be applied toward: Scientific Basis/Diagnosis, Professional0.5 points each Treatment.....2.25 points Psychosocial or Professional.....0.5 points	
14th Annual Lung Cancer Conference (Entire Conference)	Research to Practice	OCN® renewal candidates: 10.75 ILNA points may be applied toward: Scientific Basis/Diagnosis, Professional1 point each Treatment Modalities.....8.75 points AOCNP® and AOCNS® renewal candidates: 10.75 ILNA points may be applied toward: Scientific Basis/Diagnosis, Roles of the APN.....1 point each Treatment Modalities.....8.75 points	
14th Annual Multidisciplinary Genitourinary Oncology Course	Cleveland Clinic	OCN® renewal candidates: 6.5 ILNA points may be applied toward: Treatment Modalities4.7 points Professional1.55 points AOCNP® and AOCNS® renewal candidates: 6.5 ILNA points may be applied toward: Treatment Modalities4.7 points Professional or Coordination of Care1.55 points	

14th Annual Oncology Care Update (OCU) 2014	ONS (San Francisco Bay Area ONS)	<p>OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Scientific Basis, Survivorship, End of Life0.50 points each Treatment.....3.5 points Symptom Management, Psychosocial, Professional1 point each</p> <p>CPHON® renewal candidates: 8 ILNA points may be applied toward: Treatment.....3.5 points Symptom Management, Psychosocial, Professional1 point each Survivorship, End of Life, Disease Related Biology.....0.50 points each</p> <p>BMTCN® renewal candidates: 8 ILNA points may be applied toward: Survivorship, Basic Concepts0.50 points each Professional1 point Preparative Regimens3.5 points Post Transplant Issues2.5 points</p>	
15th Annual Multidisciplinary Genitourinary Oncology Course	Cleveland Clinic	<p>OCN® renewal candidates: 7 ILNA points may be applied toward: Treatment Modalities.....5.25 points Professional..... 1.75 points</p> <p>AOCNP® and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Treatment Modalities.....5.25 points Professional or Coordination of Care 1.75 points</p>	
15th Annual NEWONS Fall Conference	ONS (Northeastern Wisconsin Chapter)	<p>OCN® renewal candidates: 5 ILNA points may be applied toward: Scientific Basis, Psychosocial, Survivorship.....1 point each Treatment Modalities.....2 points</p> <p>AOCNP® and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Scientific Basis, Survivorship, Coordination of Care.....1 point each Treatment Modalities.....2 points</p>	
15th Annual Oncology Care Update (OCU)	ONS (San Francisco Bay Area ONS)	<p>OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Scientific Basis/Diagnosis, Psychosocial, Professional1 point Treatment Modalities3 points Treatment Modalities or Professional1 point Survivorship or Professional1 point</p> <p>CPHON® renewal candidates: 8 ILNA points may be applied toward: Treatment Modalities3 points Survivorship.....1 point Professional1 point Treatment Modalities or Professional1 point Survivorship or Professional 1 point Disease Related Biology1 point</p> <p>BMTCN® renewal candidates: 7 ILNA points may be applied toward: Survivorship.....1 point Professional1 point Basic Concepts1 point Prep Regimens2 points Survivorship or Professional1 point Professional or Prep Regimens1 point</p>	
15th Annual Science Forum- Resistance was Futile	Institute for Medical Education	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Treatment Modalities2 points Professional3 points</p>	
16th Annual ASH Review	Cleveland Clinic	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Treatment Modalities 5.25 points</p> <p>OR</p> <p>Scientific Basis2.62 points Professional.....2.63 points</p> <p>BMTCN® renewal candidates: 3 ILNA points may be applied toward: Basic Concepts2.62 points Professional2.63 points</p> <p>OR</p> <p>Preparative Regimens5.25 points</p>	
16th Annual MSHO Nurse Network Retreat	Michigan Society of Hematology and Oncology	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 6.5 ILNA point may be applied toward: Scientific Basis2 points Treatment or Scientific Basis1 point Symptom Management1 point Professional2.5 points</p> <p>CPHON® renewal candidates: 4.5 ILNA point may be applied toward: Professional.....2.5 points Disease Related Biology2 points</p> <p>CBCN® renewal candidates: 3.5 ILNA point may be applied toward: Scientific Basis1 point Professional.....2.5 points</p> <p>BMTCN® renewal candidates: 2.5 ILNA point may be applied toward: Professional.....2.5 points</p>	
16th Annual NEWONS Fall Conference	ONS (Northeastern Wisconsin Chapter)	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Treatment, Professional2 points each Symptom Management1 point</p>	
16th Annual Oncology Care Update (OCU) 2016	ONS (San Francisco Bay Area ONS)	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Scientific Basis, Treatment Modalities, Symptom Management2 points each Survivorship, Professional1 point each</p>	
16th Biennial Blood and Marrow Transplant and Hematologic Malignancies Conference	Ada Canyon Medical Education Consortium	<p>OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Treatment Modalities.....5 points Professional1 point</p> <p>BMTCN® renewal candidates: 6 ILNA points may be applied toward: Professional.....1 point Basic Concepts, Pre-Transplant Care, GVHD Prevention1 point each Types of Transplants2 points</p>	

17th Annual NEWONS Fall Conference	ONS (Northeastern Wisconsin Chapter)	OCN®, AOCNP®, and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Scientific Basis/Diagnosis, PsychosocialUp to 1.66* points each Treatment, Survivorship, End of Life, ProfessionalUp to .83* points each Symptom Management Up to 2.5* points	* The numerical values indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
17th Annual West HI Cancer Symposium 2014	Hawaii Consortium for Continuing Medical Education	OCN®, AOCNP® and AOCNS® renewal candidates: 9.5ILNA points may be applied toward: Screening/Early Detection, Scientific Basis/Diagnosis.....0.75 points each Treatment Modalities.....4.5 points Professional2.75 points Symptom Management or Professional.....0.75 points	
18th Annual Essentia Health Oncology Symposium 2016	Challenges in Cancer Care	OCN®, AOCNP® and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Scientific Basis, Survivorship0.5 points each Treatment Modalities, Psychosocial2.5 points each Symptom Management1 point CPHON® renewal candidates: 7 ILNA points may be applied toward: Disease related Biology, Survivorship0.5 points each Treatment Modalities, Psychosocial2.5 points each Symptom Management1 point CBCN® renewal candidates: 3.5 ILNA points may be applied toward: Treatment Modalities1 point Symptom Management, Survivorship0.5 points each Psychosocial1.5 points BMTCN® renewal candidates: 4.5 ILNA points may be applied toward: Survivorship1.5 points Basic Concepts2 points Post Transplant Issues1 point	
18th Annual Lynn Sage Breast Cancer Symposium -2016	Northwestern University	OCN® and CBCN® renewal candidates: 21 ILNA points may be applied toward: Scientific Basis/DiagnosisUp to 10.5* points Treatment, Professional.....3.5 points each OR Treatment or Professional..... 7* points in one category Symptom Management or Survivorship or End of Life3.5* points	*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
18th Annual Tyler Breast Cancer Conferences	18th Annual Tyler Breast Cancer Conferences	OCN®, CBCN® AOCNP® and AOCNS® renewal candidates: 7.75 ILNA points may be applied toward: Screening/Early Detection.....1 point Scientific Basis/Diagnosis.....1 point Treatment Modalities.....2.75 points Symptom Management.....2 points Professional.....1 point	
18th Annual West HI Cancer Symposium 2015	Hawaii Consortium for Continuing Medical Education	OCN®, AOCNP® and AOCNS® renewal candidates: 9.5ILNA points may be applied toward: Screening, Symptom Management, Survivorship1 point each Treatment Modalities......5 points Professional1.5 points	
19th Annual West Hawaii Cancer Symposium 2016	Hawaii Consortium for Continuing Medical Education	OCN®, AOCNP® and AOCNS® renewal candidates: 9.5 ILNA point may be applied toward: Treatment Modalities8 points Symptom Management, Professional0.75 points each CPHON® renewal candidates: 3.5 ILNA point may be applied toward: Treatment Modalities2 points Symptom Management, Professional0.75 points each CBCN® renewal candidates: 5.5 ILNA point may be applied toward: Treatment Modalities4 points Symptom Management, Professional0.75 points each BMTCN® renewal candidates: 5.5 ILNA point may be applied toward: Preparative Regimens4 points Professional, Post Transplant Issues0.75 points each	
1st Annual Tyler Gastrointestinal Oncology Symposium	East Texas Medical Center Regional Healthcare System	OCN®, AOCNP®, and AOCNS® renewal candidates: 5.3 ILNA points may be applied toward: Scientific Basis.....1.3 points Treatment Modalities.....4 points	
1st Annual WI Review of San Antonio Breast Cancer Symposium	Medical College of Wisconsin	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 3 ILNA points may be applied toward: Screening/Early Detection, Treatment Modalities1 point each Survivorship1 point	
2013 BMT Tandem Meeting	Basic Concepts & Indications for Transplant	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.25 ILNA points may be applied toward: Treatment Modalities.....1.25 points	
2013 BMT Tandem Meeting	Compassion Fatigue	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Professional0.75 points	
2013 BMT Tandem Meeting	Donor Advocacy	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Treatment Modalities.....0.75 points	
2013 BMT Tandem Meeting	Hot Topics	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA point may be applied toward: Professional1.5 points	
2013 BMT Tandem Meeting	Multiple Myeloma	OCN® renewal candidates: 1.25 ILNA points may be applied toward: Scientific Basis or Treatment1.25 points CPHON® renewal candidates: 1.25 ILNA points may be applied toward: Disease Related Biology or Treatment1.25 points AOCNP® and AOCNS® renewal candidates: 1.25 ILNA point may be applied toward: Treatment or Diagnosis Staging and Treatment Planning1.25 points	
2013 BMT Tandem Meeting	Nutrition	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Symptom Management0.75 points	
2013 BMT Tandem Meeting	Oral Complications	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Symptom Management.....0.75 points	

2013 BMT Tandem Meeting	Primary Immune Deficiencies	OCN®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Scientific Basis0.75 points CPHON® renewal candidates: 0.75 ILNA points may be applied toward: Disease Related Biology.....0.75 points	
2013 BMT Tandem Meeting	Role of Different Cell Products	OCN®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Scientific Basis0.75 points CPHON® renewal candidates: 0.75 ILNA points may be applied toward: Disease Related Biology.....0.75 points	
2013 BMT Tandem Meeting	Survivorship Panel	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Survivorship1 point	
2013 BMT Tandem Meeting	Transplant Nursing Oral Abstracts – Session 1	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.25 ILNA points may be applied toward: Professional1.25 points	
2013 BMT Tandem Meeting	Transplant Nursing Oral Abstracts – Session 2	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Professional1.5 points	
2013 BMT Tandem Meeting	Viral Infections	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Symptom Management0.75 points	
2013 BMT Tandem Meeting	Young Adult and Adolescent Patients: Care Issues for All Nurses	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Psychosocial0.75 points	
2013 Hematopoietic Stem Cell Transplant for Advanced Practice Providers	Knight Cancer Institute (OHSU)	OCN®, AOCNP® and AOCNS® renewal candidates: 14.75 ILNA points may be applied toward: Scientific Basis, Treatment Modalities, Symptom Management, Survivorship, Professional2.95 points each CPHON® renewal candidates: 14.75 ILNA points may be applied toward: Treatment Modalities, Symptom Management, Survivorship, Disease Related Biology, Professional2.95 points each	
2014 ASCO Review	Cleveland Clinic	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 6.5 ILNA points may be applied toward: Treatment Modalities.....4.3 points Professional.....2.2 points BMTCN® renewal candidates: 6.5 ILNA points may be applied toward: Professional.....2.2 points Preparative Regimens.....4.3 points	
2014 BMT Tandem Meeting	Amyloidosis	OCN® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis or Treatment1 point CPHON® renewal candidates: 1 ILNA point may be applied toward: Disease Related Biology or Treatment1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Diagnosis Staging and Treatment Planning1 point	
2014 BMT Tandem Meeting	Best Abstracts	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Professional0.75 points	
2014 BMT Tandem Meeting	BMT Patients Connect: Social Media, Mobile and Online Communities	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Professional0.75 points	
2014 BMT Tandem Meeting	Caregiver Panel	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Psychosocial1.5 points	
2014 BMT Tandem Meeting	Certification Update	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 0.50 ILNA points may be applied toward: Professional0.50 points	
2014 BMT Tandem Meeting	cGVHD with Case Studies	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.25 ILNA points may be applied toward: Treatment or Symptom Management1.25 points	
2014 BMT Tandem Meeting	CLABSI	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional1 point	
2014 BMT Tandem Meeting	Hot Topics	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional1 point

2018 Breast Health A Team Approach	2018 Breast Health A Team Approach	Up to 5 CE can be applied to the following content areas: Screening/Early Detection or Diagnosis and Staging or Treatment or Psychosocial or Professional Practice	
2018 Scofield Advanced Oncology Nursing Conference	University of Iowa	12 ILNA points can be applied to the following content areas: Coordination of Care..... 2* Disease-Related Biology.....2* Navigation..... 2* Professional Practice.....2* Psychosocial.....2* Scientific Basis for Practice.....2* Survivorship..... 7* Symptom Management..... 9* Treatment.....10* Basic Concepts for Transplantation.....1* Types of Transplants and Sources of Stem Cells...1* Pre-Transplant Care.....1* Preparative Regimens.....1* Early Post-Transplant Management..... 1* Late Post-Transplant Management.....1*	Total ILNA points: 12 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
20th Annual West Hawaii Cancer Symposium 2017	ACCME	Up to 9.5 ILNA points can be applied to the following content areas: Professional Practice.....1.5/4.25* Scientific Basis for Practice.....4.25* Symptom Management.....0.75 Treatment1.5/4.25*	*Note that the course content applies to multiple content areas across multiple credentials. The numerical value indicated above is the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course and may only apply to the credential you are renewing.
21st Annual Conference: Advancing the Standard of Cancer Care - 2016	NCCN	CBCN® renewal candidates: 4.8 ILNA points may be applied toward: Treatment.....Up to 2.8* points Psychosocial1 point End of Life 1 point ProfessionalUp to 3* points	*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual Cancer Symposium	Biomedical Engineering and its Application to Cancer	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 4.25 ILNA points may be applied toward: Scientific Basis/Diagnosis4.25 points <p>CPHON® renewal candidates: 4.25 ILNA points may be applied toward: Disease Related Biology4.25 points</p>	
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	CAR T Pre-Conference Workshop: highlights in Immunotherapies in Hematologic Malignancies	Up to 3 ILNA hours can be applied to the following content areas: Professional Practice, Scientific Basis for Practice, Treatment, Basic Concepts for Transplantation, Preparative Regimens or Disease Related Biology	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.

22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Indolent Non-Hodgkin Lymphoma	Up to 1.0 contact hour can be applied to any of the following areas: Professional Practice Survivorship Treatment Preparative Regimens Early Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Plenary Lecture	Up to 0.75 contact hour can be applied to any of the following areas: Diagnosis and Staging Basic Concepts for Transplantation	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Mantle-Cell Lymphoma	Up to 1.0 contact hour can be applied to any of the following areas: Symptom Management Treatment Preparative Regimens Early Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Special Lecture	Up to 1.5 contact hours can be applied to any of the following areas: Professional Practice Treatment Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Acute Leukemia	Up to 1.25 contact hours can be applied to any of the following areas: Professional Practice Treatment Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Multiple Myeloma	Up to 1.5 contact hours can be applied to any of the following areas: Professional Practice Treatment Basic Concepts for Transplantation Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Chronic Lymphocytic Leukemia	Up to 2.25 contact hours can be applied to any of the following areas: Professional Practice Survivorship Treatment Preparative Regimens Early Post-Transplant Management Late Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.

22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Graft-Versus-Host Disease/T-Cell Lymphoma	Up to 1.0 contact hour can be applied to any of the following areas: Professional Practice Survivorship Symptom Management Treatment Basic Concepts for Transplantation Early Post-Transplant Management Late Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Plenary Lecture	Up to 0.75 contact hour can be applied to any of the following areas: Treatment Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Diffuse Large B-Cell Lymphoma	Up to 1.5 contact hours can be applied to any of the following areas: Professional Practice Treatment Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Value-Based Medicine	Up to 2.0 contact hours can be applied to any of the following areas: Professional Practice Survivorship	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	CNE/CME Breakout Session NOTE: THIS IS A CONCURRENT SESSION	Up to 2.0 contact hours can be applied to any of the following areas: Professional Practice Survivorship Symptom Management Treatment Preparative Regimens Early Post-Transplant Management Late Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Myelodysplastic Syndromes	Up to 1.5 contact hours can be applied to any of the following areas: Disease-Related Biology Diagnosis and Staging Professional Practice Basic Concepts for Transplantation	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Chronic Myeloid Leukemia and Other Myeloproliferative Neoplasms	Up to 2.0 contact hours can be applied to any of the following areas: Professional Practice Treatment Basic Concepts for Transplantation Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.

22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	Hodgkin Lymphoma	Up to 2.0 contact hours can be applied to any of the following areas: Professional Practice Survivorship Treatment Preparative Regimens Basic Concepts for Transplantation Early Post-Transplant Management Late Post-Transplant Management	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
22nd Annual International Congress on Hematologic Malignancies (In Miami, FL)	CNE/CME Breakout Session NOTE: THIS IS A CONCURRENT SESSION	Up to 1.5 contact hours can be applied to any of the following areas: Professional Practice Treatment Basic Concepts for Transplantation Preparative Regimens	Total ILNA points available for conference: 26.5 *Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
25th Annual Current Issues in Oncology Care Conference (2015)	Sparrow Health System	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 5.5 ILNA points may be applied toward: Treatment Modalities3.25 points Symptom Management1 point Professional1.25 points	
25th Annual Womens Health and Cancer Conference - 2017	University of Vermont	OCN® renewal candidates: 5.5 ILNA points may be applied toward: Screening/Early Detection0.7 points or up to 1.6* points Scientific Basis/DiagnosisUp to 0.8* points SurvivorshipUp to 3.2* points Professional.....0.8 Up to 2.4* points	*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
25 th Annual National Conference	Optum Health Education	OCN®, AOCNP® and AOCNS® renewal candidates: 7.5 ILNA points may be applied toward: Treatment Modalities, Professional3 points each Treatment Modalities or Professional.....1.5 points CPHON® renewal candidates: 7.5 ILNA points may be applied toward: Treatment4.5 points Professional3 points BMTCN® renewal candidates: 7.5 ILNA points may be applied toward: Professional.....3 points Basic Concepts ,Pre Transplant Care, Prep Regimens1.5 points each	
26th Annual Interdisciplinary Breast Center Conference	The National Consortium of Breast Centers, Inc	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 24 ILNA points may be applied toward: Screening, Symptom Management3 points each Scientific Basis, Professional5 points each Treatment6 points Psychosocial2 points	
26th Annual National Conference (2017)	Optum Health Education (Day 1)	OCN® renewal candidates: 5 ILNA points may be applied toward: Screening/Early Detection1* point Scientific Basis/Diagnosis1.5* points Treatment.....3* points Psychosocial or Professional.....2* points Survivorship.....3.5* points CPHON® renewal candidates: 5 ILNA points may be applied toward: Disease Related Biology1.5* points Treatment.....3* points Psychosocial or Professional.....2* points Survivorship.....3.5* points CBCN® renewal candidates: 1.75 ILNA points may be applied toward: Screening or Psychosocial or Survivorship or Professional.....1* point Scientific Basis or Treatment0.75* points BMTCN® renewal candidates: 5 ILNA points may be applied toward: Professional.....2* points Survivorship.....3.5* points Basic Concepts or Types of Transplants0.75* points Pre-Transplant or Prep Regimens or Post-Transplant Issues ...1.5* points AOCNP® and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Screening/Early Detection or Professional or Coordination of Care ...1* point Scientific Basis/Diagnosis1.5* points Treatment.....3* points	
26th Annual National Conference (2017)	Optum Health Education (Day 2)	OCN® and CPHON® renewal candidates: 3 ILNA points may be applied toward: Professional.....0.75 points Treatment or Psychosocial or Professional.....1.25*points Symptom Management.....1* point Survivorship.....2.25* points CBCN® renewal candidates: 1 ILNA point may be applied toward: Survivorship or End of Life or Professional1 point BMTCN® renewal candidates: 3 ILNA points may be applied toward: Professional.....0.75 points Professional.....1.25* points Survivorship.....2.25* points Post-Transplant Issues1* point AOCNP® and AOCNS® renewal candidates: 3 ILNA points may be applied toward: Treatment or Psychosocial1.25*points Symptom Management.....1* point Survivorship.....2.25* points Professional or Coordination of Care3* points	

26th Annual National Conference (2017)	Optum Health Education (Day 3)	<p>OCN® renewal candidates: 2.75 ILNA points may be applied toward: Screening/Early Detection or Scientific Basis/Diagnosis1* point Psychosocial.....2* points Survivorship.....1.75* points Professional.....2.75* points</p> <p>CPHON® renewal candidates: 2.75 ILNA points may be applied toward: Disease Related Biology1* point Psychosocial.....2* points Survivorship.....1.75* points Professional.....2.75* points</p> <p>CBCN® renewal candidates: 0.75 ILNA points may be applied toward: Survivorship or Professional0.75 points</p> <p>BMTCN® renewal candidates: 1.75 ILNA points may be applied toward: Survivorship or Professional1.75 points</p> <p>AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Screening/Early Detection or Scientific Basis/Diagnosis or Roles of the APN.....1* point Psychosocial.....2* points Survivorship or Coordination of Care1.75* points Professional.....2.75* points</p>	
26th Annual Spring Conference 2015 Day 1	ONS (Columbus Chapter)	<p>Day 1 OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 4 ILNA points may be applied toward: Symptom Management0.8 points Survivorship.....0.8 points Professional2.4 points</p> <p>BMTCN® renewal candidates: 3.2 ILNA points may be applied toward: Survivorship.....0.8 points Professional2.4 points</p>	
26th Annual Spring Conference 2015 Day 2	ONS (Columbus Chapter)	<p>Day 2 OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 6.75 ILNA points may be applied toward: Scientific Basis/Diagnosis2 points Survivorship.....1.25 points End of Life.....1 point Professional2.5 points</p> <p>CPHON® renewal candidates: 6.75 ILNA points may be applied toward: Survivorship.....1.25 points End of Life.....1 point Professional2.5 points Disease Related Biology2 points</p> <p>BMTCN® renewal candidates: 6.75 ILNA points may be applied toward: Survivorship.....1.25 points Professional2.5 points Basic Concepts2 points Post Transplant Issues.....1 point</p>	
27th Annual Cancer Care Update	Mercy Medical Center	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 7.2 ILNA points may be applied toward: Scientific Basis/Diagnosis, End of Life.....1 point each Treatment Modalities3 points Symptom Management.....2 points Professional.....0.2 points</p>	
27th Annual Spring Conference 2016 Day 1	ONS (Columbus Chapter)	<p>Day 1 OCN® renewal candidates: 4.25 ILNA points may be applied toward: Psychosocial or Survivorship1.7 points Survivorship.....0.85 points Professional1.7 points</p> <p>CPHON®, AOCNP® and AOCNS® renewal candidates: 4.25 ILNA points may be applied toward: Psychosocial0.85 points Survivorship.....1.7 points Professional1.7 points</p> <p>CBCN® renewal candidates: 4.25 ILNA points may be applied toward: Psychosocial or Survivorship1.7 points Survivorship or Psychosocial0.85 points Professional1.7 points</p> <p>BMTCN® renewal candidates: 10.16 ILNA points may be applied toward: Survivorship..... 2.55 points Professional1.7 points</p>	
27th Annual Spring Conference 2016 Day 2	ONS (Columbus Chapter)	<p>Day 2 OCN® renewal candidates: 5.75 ILNA points may be applied toward: Treatment Modalities.....1.8 points Symptom Management1.08 points Professional2.87 points</p> <p>AOCNP® and AOCNS® renewal candidates: 5.75 ILNA points may be applied toward: Treatment Modalities.....1.44 points Symptom Management1.08 points Professional2.87 points Roles of the APN0.36 points</p> <p>CPHON® and CBCN® renewal candidates: 5.75 ILNA points may be applied toward: Treatment Modalities.....2.16 points Symptom Management0.72 points Professional2.87 points</p> <p>BMTCN® renewal candidates: 10.16 ILNA points may be applied toward: Professional..... 2.52 points Pre Transplant Care, Post Transplant Issues0.36 points each Preparative Regimens1.7 points GVHD Prevention or Post Transplant Issues0.72 points</p>	

28th Annual Cancer Care Update	Mercy Medical Center	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 7.5 ILNA points may be applied toward: Screening/Early Detection or Psychosocial0.75* points Scientific Basis/Diagnosis or Symptom Management1.25* points Treatment3* points Oncologic Emergencies0.5* points Survivorship0.75 points End of Life.....1.5* points</p> <p>CBCN® renewal candidates: 3.5 ILNA points may be applied toward: Treatment, Survivorship0.75 points Symptom Management or Psychosocial0.75* points End of Life.....1.5* points</p> <p>BMTCN® renewal candidates: 3.5 ILNA points may be applied toward: Basic Concepts, Preparatory Regimens0.75 points each Post Transplant Issues2 points</p>	
28th Annual MDONS Nursing Conference 2018	Multiple Myeloma 2018: Current and Emerging Therapies	1.25 ILNA Point in Scientific Basis for Practice OR Treatment OR Diagnosis and Staging OR Symptom Management	Total ILNA points available for conference: 6.5
28th Annual MDONS Nursing Conference 2018	Successfully Navigating Diagnosis and Treatment in the Age of Targeted Cancer Therapy: Cancer Genomics 101	1 ILNA Point in Scientific Basis for Practice OR Treatment OR Diagnosis and Staging	
28th Annual MDONS Nursing Conference 2018	City of Hope	Survivorship: Impact of Diet and Exercise on Cancer Recurrence (April 14, 2016)	OCN®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Survivorship1.5 points
28th Annual MDONS Nursing Conference 2018	Regulating Pain Management: Another Piece of the Puzzle	1 ILNA Point in Symptom Management OR Palliative Care OR Professional Practice OR Survivorship	
28th Annual MDONS Nursing Conference 2018	Caregiver Fatigue	1 ILNA Point in Psychosocial OR Palliative OR Navigation OR Coordination of Care	
28th Annual MDONS Nursing Conference 2018	Proton Therapy	1.25 ILNA Points in Treatment OR Navigation OR Professional Practice OR Coordination of Care	
28th Annual MOCONS/GOOSWA Spring Conference	Emerging Issues in Cancer Treatment	<p>OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 7.2 ILNA points may be applied toward: Treatment Modalities.....2.4 points Psychosocial1.2 points Survivorship.....3.6 points</p> <p>BMTCN® renewal candidates: 7.2 ILNA points may be applied toward: Survivorship.....4.8 points Preparative Regimens2.4 points</p>	
28th Regional Conference on Pediatric Hem Onc Nursing 2014	Separate Unique: Together Complete	<p>CPHON® renewal candidates: 12 ILNA points may be applied toward: TreatmentUp to 5.5* points Symptom Management.....Up to 2.5* points PsychosocialUp to 2.5* points Oncologic EmergenciesUp to 1* point Survivorship.....Up to 1.5* points End of Life1 point ProfessionalUp to 2.5* points Disease Related BiologyUp to 2.5* points</p> <p>*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.</p>	
29th Annual Spring Conference	ONS (Metro Omaha Chapter) (MOCONS/GOOSWA)	<p>OCN® renewal candidates: 6.9 ILNA points may be applied toward: Treatment Modalities1.5 points Survivorship4 points Professional1.4 points</p>	
2nd Annual Caring for the Radiation Oncology Patient	The Ohio State University	<p>OCN® renewal candidates: 9.5 ILNA points may be applied toward: Scientific Basis..... 2 points Treatment Modalities.....3 points Symptom Management, Oncologic Emergencies 1 point each Psychosocial or Survivorship.....1 point Professional1.5 points</p> <p>AOCNP® and AOCNS® renewal candidates: 9.5 ILNA points may be applied toward: Scientific Basis..... 2 points Treatment Modalities.....3 points Symptom Management, Oncologic Emergencies 1 point each Psychosocial or Survivorship.....1 point Professional0.5 points Professional or Roles of the APN1 point</p> <p>CBCN® renewal candidates: 6.5 ILNA points may be applied toward: Treatment Modalities, Symptom Management.....2 points each Psychosocial or Survivorship.....1 point Professional1.5 points</p> <p>BMTCN® renewal candidates: 6.5 ILNA points may be applied toward: Survivorship or Post Transplant Issues1 point Professional1.5 points Preparative Regimens3 points Post Transplant Issues1 point</p>	
2nd Annual WI Review of San Antonio Breast Cancer Symposium	Medical College of Wisconsin	<p>OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 3.5 ILNA points may be applied toward: Scientific Basis, Treatment1.4 points each Survivorship0.7 points</p>	
31st Regional Conference on Pediatric Hem Onc Nursing 2017	Mission: Care Cure Connect Southern California Chapter of APHON	<p>CPHON® renewal candidates: 12 ILNA points may be applied toward: TreatmentUp to 5* points Symptom Management.....Up to 4* points PsychosocialUp to 3* points Oncologic EmergenciesUp to 1.8* points Survivorship.....Up to 3.8* points ProfessionalUp to 1.5* points Disease Related BiologyUp to 3* points</p> <p>*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.</p>	

35th Annual Puget Sound Nursing Symposium	ONS (Puget Sound Chapter) Day 1	Day1 OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Treatment Modalities1.25 points Professional4 points BMTCN® renewal candidates: 4 ILNA points may be applied toward: Professional4 points	
35th Annual Puget Sound Nursing Symposium	ONS (Puget Sound Chapter) Day 2	Day 2 OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Treatment Modalities1 point Symptom Management2 points Survivorship1.25 points Professional2 points BMTCN® renewal candidates: 3.25 ILNA points may be applied toward: Survivorship1.25 points Professional2 points	
36th Annual Puget Sound Nursing Symposium	ONS (Puget Sound Chapter) Day 1	Day 1 OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Screening1.25 points Symptom Management1 point Survivorship1 point Professional2 points CPHON® renewal candidates: 4 ILNA points may be applied toward: Symptom Management1 point Survivorship1 point Professional2 points BMTCN® renewal candidates: 3 ILNA points may be applied toward: Survivorship1 point Professional2 points	
36th Annual Puget Sound Nursing Symposium	ONS (Puget Sound Chapter) Day 2	Day 2 OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Treatment Modalities3.75 points Psychosocial1.25 points End of Life1.25 points	
3rd Annual ASH Highlights 2016 Meeting	Denver Health Medical Center	OCN®, AOCNP® and AOCNS® renewal candidates: 6.75 ILNA points may be applied toward: Treatment Modalities3 points Scientific Basis/Diagnosis or Treatment Modalities3.75 points CPHON® renewal candidates: 6.75 ILNA points may be applied toward: Treatment Modalities3 points Treatment Modalities or Disease Related Biology3.75 points BMTCN® renewal candidates: 6.75 ILNA points may be applied toward: Preparative Regimens5.75 points Basic Concepts or Preparative Regimens1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Advanced Breast Cancer: Patient-Centric Navigation	OCN® and CBCN® renewal candidates: 1.5 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management or Professional1.5 points AOCNP® and AOCNS® renewal candidates: 1.5 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management or Coordination of Care1.5 points	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Biomarkers to Immune Related Adverse Events- The Role of ONN in Immunotherapies	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Challenges in Navigating H&N Cancer Patients	OCN® renewal candidates: 1 ILNA point may be applied toward: Treatment or Symptom Management or Professional 1 point AOCNP® and AOCNS®1 ILNA point may be applied toward: Treatment or Symptom Management or Coordination of Care 1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Current Challenges for Navigators: The Mandate of Survivorship Care Plans and Certification	OCN®, CPHON®, BMTCN® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional or Roles of the APN1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Eating and Exercising Toward Better Health in Cancer Survivors	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Symptom Management or Survivorship1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues or Survivorship1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Financial Toxicity: The Cost of Cancer Care	OCN®, CPHON®, and CBCN® renewal candidates: 1 ILNA point may be applied toward: Psychosocial or Survivorship or Professional 1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues or Survivorship or Professional 1 point AOCNP® and AOCNS®1 ILNA point may be applied toward: Psychosocial or Survivorship or Coordination of Care 1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Innovative Navigation Strategies	OCN®, CPHON® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Coordination of Care or Roles of the APN1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Leadership Strategies: Empowerment and Advocacy	OCN®, CPHON®, BMTCN® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Navigating Patients with NSCLC and Developing Cancer Screening Programs	OCN® renewal candidates: 1 ILNA point may be applied toward: Screening/Early Detection or Treatment or Symptom Management or Psychosocial or End of Life Care1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Screening/Early Detection or Treatment or Symptom Management or Psychosocial Issues1 point	

3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Navigating Patients with Pancreatic and Colorectal Cancer	OCN® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment Modalities or Symptom Management or Psychosocial or Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment Modalities or Symptom Management or Psychosocial or Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Oral Therapies: Strategies to Ensure Adherence	OCN®, CPHON®, and CBCN® renewal candidates: 1 ILNA point may be applied toward: Treatment or Psychosocial or Professional 1 point AOCNP® and AOCNS® 1 ILNA point may be applied toward: Treatment or Psychosocial or Roles of the APN..... 1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Personalized Medicine	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management1 point CPHON® renewal candidates: 1 ILNA point may be applied toward: Disease Related Biology or Treatment or Symptom Management1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Piloting a Lay Navigation Program in a Community and Academic Setting	OCN®, CPHON® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Poster Session	OCN® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Screening/Early Detection or Symptom Management or Psychosocial or Professional1 point CPHON® and BMTCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® 1 ILNA point may be applied toward: Screening/Early Detection or Symptom Management or Psychosocial or Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Resources for New Navigators	OCN®, CPHON® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	The Navigator's Role in Integrating Palliative and Supportive Care	OCN®, CPHON®, and CBCN® renewal candidates: 1 ILNA point may be applied toward: Symptom Management or Survivorship or End of Life or Professional1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues or Survivorship or Professional 1 point AOCNP® and AOCNS® 1 ILNA point may be applied toward: Symptom Management or Survivorship or End of Life or Roles of the APN1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	The Role of the Nurse Navigator in Quality Outcomes and Measurements	OCN®, CPHON® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Coordination of Care1 point	
3rd Annual Oncology Nurse Advisor (ONA) Navigation Summit Integrating Navigation Science into Practice	Where Are We Going: The Future of Cancer Care	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Diffuse Intrinsic Pontine Glioma (DIPG): The past, present, and hope for the future.	CPHON® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Disease Related Biology1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis or Treatment Modalities1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Fertility Preservation	OCN® renewal candidates: 1 ILNA point may be applied toward: Psychosocial1 point CPHON®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Survivorship1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Hematopoietic Stem Cell Transplant for Sickle Cell Disease: Current Practice and Emerging Trends	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Basic Concepts1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Pediatric Venous Thrombosis: Risk factors, Management, and Outcomes	CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Symptom Management1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Post-Transplant Lymphoproliferative Disorder: An unfair complication of perfectly good intention	OCN® renewal candidates: 1 ILNA point may be applied toward: Screening or Scientific Basis or Treatment1 point CPHON® renewal candidates: 1 ILNA point may be applied toward: Treatment or Disease Related Biology1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Survivorship1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities1 point	
3rd Annual Pediatric Hematology Oncology Nursing Symposium - Cincinnati Children's Hospital	Treating Children and Young Adults with Hematology Oncology diagnoses – The Role of Social Work and Behavioral Medicine	CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Psychosocial1 point BMTCN®, renewal candidates: 1 ILNA point may be applied toward: Survivorship1 point	

3rd Annual Winter Oncology Symposium	ONS (West KY Chapter)	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 7.5 ILNA points may be applied toward: Screening, Scientific Basis/Diagnosis, Symptom Management, End of Life, Professional1 point each Treatment Modalities.....2 points Psychosocial0.5 points</p> <p>CPHON® renewal candidates: 3 ILNA points may be applied toward: Treatment Modalities, Psychosocial0.5 points each Symptom Management, End of Life.....1 point each</p> <p>CBCN®4 ILNA points may be applied toward: Treatment Modalities, Psychosocial0.5 points each Screening, Symptom Management, End of Life.....1 point each</p> <p>BMTCN® renewal candidates: 4.5 ILNA points may be applied toward: Professional, Basic Concepts, Post Transplant Issues1 point each Preparative Regimens.....1.5 points</p>	
49th Annual SE WI Cancer Conference	Medical College of Wisconsin	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 4 ILNA points may be applied toward: Screening/Early Detection, Scientific Basis/ Diagnosis0.75 points each Treatment Modalities2.5 points</p>	
4th Annual ASBMT Fall Clinical Education Conference 2017	History and Future of Allogeneic Transplantation Driven by Intensive Bench to Bedside Research	0.75 ILNA Points in Basic Concepts for Transplant OR Treatment OR Professional Performance	
4th Annual ASBMT Fall Clinical Education Conference 2017	Acute GVHD: Prevention and Treatment	0.75 ILNA Points in Early Post-Transplant Management OR Graft-versus-Host Disease Prevention and Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Management of VTE and Thrombotic Microangiopathy in Hematopoietic Cell Transplantation	0.75 ILNA Points in Early Post-Transplant Management OR Oncologic Emergencies OR Symptom Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	The Future of Complex Medical Interventions	0.75 ILNA Points in Symptom Management OR Early Post-Transplant Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Hematopoietic Stem Cell Transplantation for Pediatric Nonmalignant Disorders	0.75 ILNA Points in Basic Concepts for Transplantation	
4th Annual ASBMT Fall Clinical Education Conference 2017	Pediatric Acute Myeloid Leukemia and the Role of Stem Cell Transplant	0.75 ILNA Points in Basic Concepts for Transplantation OR Treatment OR Disease-Related Biology OR Types of Transplants and Sources of Stem Cells	
4th Annual ASBMT Fall Clinical Education Conference 2017	Endocrine late effects of pediatric bone marrow transplant	0.75 ILNA Points in Survivorship OR Late Post-Treatment Management OR Coordination of Care	
4th Annual ASBMT Fall Clinical Education Conference 2017	Survivorship Care for Pediatric Hematopoietic Cell Transplant Survivors	0.75 ILNA Points in Survivorship OR Late Post-Treatment Management OR Coordination of Care	
4th Annual ASBMT Fall Clinical Education Conference 2017	Transfusion Support in Hematopoietic Stem Cell Transplant	0.75 ILNA Points in Treatment OR Symptom Management OR Early Post-Transplant Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Cord Blood Transplantation in Patients with Hematologic Malignancies	0.75 ILNA Points in Treatment OR Basic Concepts for Transplantation OR Types of Transplants and Sources of Stem Cells	
4th Annual ASBMT Fall Clinical Education Conference 2017	The Unique Issue of Older Adults Going Through Transplant	0.75 ILNA Points in Quality of Life OR Basic Concepts for Transplant OR Treatment OR Preparative Regimens	
4th Annual ASBMT Fall Clinical Education Conference 2017	Kidney Complications after Hematopoietic Cell Transplant	0.75 ILNA Points in Early Post-Transplant Management OR Graft-versus-Host Disease Prevention and Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Management of Cytokine Storm after CAR T-cell therapy	0.75 ILNA Points in Symptom Management OR Early Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Immunotherapy	0.75 ILNA Points in Treatment OR Pre-Transplant Care OR Preparative Regimens OR Scientific Basis for Practice	
4th Annual ASBMT Fall Clinical Education Conference 2017	Treatment of Post-Transplant Relapse of MDS/AML	0.75 ILNA Points in Survivorship OR Quality of Life OR Late Post-Transplant Management OR Treatment	
4th Annual ASBMT Fall Clinical Education Conference 2017	Acute Pulmonary Complications in the Hematopoietic Cell Transplant Recipient	0.75 ILNA Points in Symptom Management OR Early Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Endocrinopathies Associated with Oncologic Treatment	0.75 ILNA Points in Survivorship OR Early Post-Transplant Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Common Gynecologic Issues in Hematopoietic Cell Transplantation	0.75 ILNA Points in Survivorship OR Early Post-Transplant Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Stem Cell Collection & Infusion: Optimizing Safety for the Donor and Recipient	0.75 ILNA Points in Pre-Transplant Care OR Preparative Regimens OR Treatment	
4th Annual ASBMT Fall Clinical Education Conference 2017	Pain Management	0.75 ILNA Points in Symptom Management OR Palliative Care OR Early Post-Transplant Management OR Late Post-Transplant Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Viral Infections in Transplant	0.75 ILNA Points in Symptom Management OR Early Post-Treatment Management OR Graft-versus-Host Disease OR Late Post-Treatment Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Medical Nutritional Therapy - Nutrition Support and the Role of the Registered Dietician	0.75 ILNA Points in Symptom Management OR Early Post-Treatment Management OR Graft-versus-Host Disease OR Late Post-Treatment Management	
4th Annual ASBMT Fall Clinical Education Conference 2017	Post Transplant Vaccinations: Frequently Asked Questions	0.75 ILNA Points in Survivorship OR Late Post-Transplant Management	
4th Annual Midwest Regional San Antonio Breast Cancer Symposium Review	Creighton University	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 5.5 ILNA points may be applied toward: Screening, Scientific Basis, Treatment Modalities1 point each Scientific Basis or Treatment Modalities2.5 points</p>	
4th Annual Patient Centric Care in Oncology	Cleveland Clinic	<p>OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Treatment, Symptom Management.....1.5 points each Psychosocial1 point Survivorship, Professional1.5 points each</p>	
4th Annual Winter Oncology Symposium 2018	West Kentucky ONS Chapter	Up to 6.6 ILNA points can be applied to the following content areas: Diagnosis and Staging or Health Promotion/Screening and Early Detection or Palliative Care or Professional Practice or Scientific Basis for Practice or Survivorship or Symptom Management or Treatment or Late Post-Transplant Management	

4th International Conference on Cancer and the Heart	MD Anderson	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 14.75 ILNA points may be applied toward: Treatment Modalities, Symptom Management6 points each Treatment Modalities or Symptom Management2.75 points	
5th Annual Controversies in Hematologic Malignancies	Froedtert Hospital and The Medical College of Wisconsin	OCN®, AOCNP® and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Scientific Basis1.5 points Treatment Modalities 1.5 points Symptom Management1.5 points Scientific Basis or Treatment0.75 points CPHON® renewal candidates: 5.25 ILNA points may be applied toward: Treatment Modalities 1.5 points Symptom Management1.5 points Disease Related Biology.....1.5 points Disease Related Biology or Treatment0.75 points Treatment Modalities 1.3 points BMTCN® renewal candidates: 5.25 ILNA points may be applied toward: Basic Concepts or Types of Transplants3 points Pre-Transplant Care0.75 points Post Transplant Issues1.5 points	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	End Note - Nursing is a Marathon	OCN®, CPHON®, BMTCN® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional or Roles of the APN1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	I'm Too Young for This: Young Adults and Cancer	OCN®, CPHON® and CBCN® renewal candidates: 1 ILNA point may be applied toward: Psychosocial or Survivorship or Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Psychosocial or Survivorship or Coordination of Care or Roles of the APN.....1 point BMTCN® renewal candidates: 1 ILNA points may be applied toward: Post-Transplant Issues or Survivorship1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Lung Cancer: How to Optimize Outcomes	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/ Diagnosis or Treatment1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Predicting Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Screening/Early Detection or Scientific Basis/Diagnosis or Treatment ...1 point CBCN® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Sally Korkowski Lecture: The Marijuana Initiative: How do you respond?	CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Symptom Management or Professional1 point OCN® and CPHON® renewal candidates: 1 ILNA point may be applied toward: Symptom Management or End of Life or Professional1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues or Professional1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	The Diagnosis and Treatment of Sepsis	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Oncologic Emergencies1 point CBCN® renewal candidates: 1 ILNA point may be applied toward: Symptom Management1 point BMTCN® renewal candidates: 1 ILNA points may be applied toward: Post Transplant Issues1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	The Other End of the Stethoscope	OCN®, CPHON® and CBCN® renewal candidates: 1.5 ILNA points may be applied toward: Psychosocial or Professional1.5 points AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Psychosocial or Roles of the APN.....1.5 points BMTCN® renewal candidates: 1.5 ILNA points may be applied toward: Post-Transplant Issues or Professional1.5 points	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	The Value of Cancer Care: What Healthcare Providers Should Know and How They Can Address Escalating Drug Prices	OCN® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis or Professional1 point CBCN® renewal candidates: 1 ILNA point may be applied toward: Professional1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Diagnosis or Treatment or Roles of the APN.....1 point CPHON® and renewal candidates: 1 ILNA point may be applied toward: Disease Related Bio or Treatment or Professional1 point	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Workshop A: Oncology Drug Interactions	OCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Scientific Basis/ Diagnosis or Treatment1.5 points	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Workshop B: Survivorship Care Planning at the End of Adjuvant Treatment	OCN®, CBCN® and CPHON® renewal candidates: 1.5 ILNA points may be applied toward: Survivorship or Professional1.5 points AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Survivorship or Professional or Coordination of Care or Roles of the APN1.5 points BMTCN® renewal candidates: 1.5 ILNA points may be applied toward: Survivorship1.5 points	
5th Annual Scripps Cancer Care Symposium: A Nursing and Advanced Practice Provider Collaboration	Workshop C: Challenges in Treating the Newly Diagnosed Acute Leukemic	OCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management1.5 points CPHON® renewal candidates: 1.5 ILNA points may be applied toward: Disease Related Bio or Treatment or Symptom Management1.5 points	

6 North Skills Day 2017 - Cancer and Biochemotherapy	California Pacific Medical Center	Total 4.5 ILNA Points as follows: 1 ILNA point in Oncologic Emergencies OR Professional Practice 4.5 ILNA points in Scientific Basis for Practice OR Symptom Management OR Treatment	
6th Annual Fall Lecture Series	ONS (Southern NH Oncology Nurses Chapter)	OCN® renewal candidates: 5.5 ILNA points may be applied toward: Scientific Basis/ Diagnosis.....Up to 1* point Treatment, Survivorship..... Up to 3* points each Symptom ManagementUp to 4*points Psychosocial Up to 2* points AOCNP® and AOCNS® 5.5 ILNA points may be applied toward: Scientific Basis/ Diagnosis.....Up to 1* point Treatment, Survivorship..... Up to 3* points each Symptom ManagementUp to 4*points Psychosocial Up to 2* points Roles of the APNUp to 1* point	*Please note that some of the course content applies to multiple content areas. The numerical values above indicate the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
6th Annual Midwest Regional San Antonio Breast Cancer Symposium Review	Creighton University	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Screening0.75 points Scientific Basis0.75 points Scientific Basis or Treatment0.75 points Treatment Modalities3 points	
6th Annual Oncology Nursing Symposium	Advancing the Possibilities	OCN®, AOCNP® and AOCNS® renewal candidates: 9 ILNA points may be applied toward: Treatment Modalities4.5 points Professional4.5 points	
6th Annual Winship Gastrointestinal Cancer Symposium	Prime Oncology and Winship Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Treatment Modalities.....6 points	
7th Annual Hematology Review	Huntsman Cancer Institute	OCN®, AOCNP® and AOCNS® renewal candidates: 7.25 ILNA points may be applied toward: Scientific Basis/ Diagnosis4 points Treatment Modalities3.25 points BMTCN® renewal candidates: 7.25 ILNA points may be applied toward: Basic Concepts and Indications for Transplantation6.25 points Types of Transplants1 point	
7th Annual Navigation and Survivorship Conference	AONN	OCN® and CBCN® renewal candidates: 12.5 ILNA points may be applied toward: Screening2 points Treatment1 point Survivorship2.5 points Professional7 points AOCNP® and AOCNS® renewal candidates: 12.5 ILNA points may be applied toward: Screening2 points Treatment1 point Survivorship2.5 points Professional4 points Coordination of Care3 points CPHON® renewal candidates: 12.5 ILNA points may be applied toward: Treatment1 point Survivorship2.5 points Professional7 point Disease Related Biology2 points	
7th Annual Oncology Nursing Conference	ONS (Southern Maine Chapter)	OCN®, AOCNP® and AOCNS® renewal candidates: 5.5 ILNA points may be applied toward: Treatment Modalities.....3 points Symptom Management.....1.5 points Professional1 point	
7th Extraordinary Innovations and Emerging Trends in Transplantation and Oncology (Day 2)	Nebraska Medicine	Day 2 OCN® renewal candidates: 6.25 ILNA points may be applied toward: Treatment2.5 points Psychosocial1 point Professional2.75 points AOCNP® and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Treatment2.5 points Psychosocial1 point Professional0.50 points Coordination of Care1.5 points Roles of the APN0.75 points CBCN® renewal candidates: 5.5 ILNA points may be applied toward: Treatment1.75 points Psychosocial1 point Professional2.75 points BMTCN® renewal candidates: 4.25 ILNA points may be applied toward: Professional2.75 points Preparatory Regimens0.75 points Basic Concepts or Preparatory Regimens or Post-Transplant Issues.....0.75 points	
8th Annual Cowtown Oncology Nursing Symposium 2018	Rounding Up Them Stem Cells	1 ILNA Point in Treatment OR Types of Transplants and Sources of Stem Cells OR Preparative Regimens OR Basic Concepts for Transplantation	Day 1 March 9, 2018 Total ILNA points available for conference: 5
8th Annual Cowtown Oncology Nursing Symposium 2018	One Cowboy's Experience: Living Beyond Cancer	1 ILNA Point in Psychosocial OR Survivorship OR Professional OR Navigation	Day 1 March 9, 2018 Total ILNA points available for conference: 5
8th Annual Cowtown Oncology Nursing Symposium 2018	The Hoedown on Lymphoma	1 ILNA Point in Diagnosis and Staging OR Scientific Basis for Practice OR Treatment OR Basic Concepts for Transplantation OR Survivorship	Day 1 March 9, 2018 Total ILNA points available for conference: 5
8th Annual Cowtown Oncology Nursing Symposium 2018	Shooting Down Leukemia	1 ILNA Point in Diagnosis and Staging OR Scientific Basis for Practice OR Treatment OR Basic Concepts for Transplantation	Day 1 March 9, 2018 Total ILNA points available for conference: 5
8th Annual Cowtown Oncology Nursing Symposium 2018	Taking Back the Reins: Survivorship & the Young Adult Cancer Experience	1 ILNA Point in Survivorship OR Psychosocial OR Professional OR Navigation	Day 1 March 9, 2018 Total ILNA points available for conference: 5
8th Annual Cowtown Oncology Nursing Symposium 2018	Giddy Up Cowgirls: Let's Save some Eggs	1 ILNA Point in Survivorship OR Psychosocial OR Navigation	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Cowtown Oncology Nursing Symposium 2018	Respiratory Roundup	1 ILNA Point in Symptom Management OR Palliative Care OR Oncologic Emergencies	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Cowtown Oncology Nursing Symposium 2018	The Good, the Bad, & the Ugly: Navigating the Health Policy Environment for Oncology Nursing	1 ILNA Point in Professional Practice OR Navigation OR Coordination of Care	Day 2 March 10, 2018 Total ILNA points available for conference: 7

8th Annual Cowtown Oncology Nursing Symposium 2018	Don't Fence Me In: Embracing Your Inner Palliative Care Nursing Skills	1 ILNA Point in Palliative Care OR Symptom Management OR End-of-Life OR Psychosocial	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Cowtown Oncology Nursing Symposium 2018	Blazing the Trail: Management of Immunotherapy Related Toxicities	1 ILNA Point in Treatment OR Symptom Management	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Cowtown Oncology Nursing Symposium 2018	Wrangling up CLABSIs	1 ILNA Point in Treatment OR Symptom Management OR Oncologic Emergencies OR Early Post-Transplant Management	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Cowtown Oncology Nursing Symposium 2018	How I Became a Cancer Wrangler	1 ILNA Point in Navigation OR Survivorship OR Professional Practice	Day 2 March 10, 2018 Total ILNA points available for conference: 7
8th Annual Southwest Regional Oncology Symposia	ONS (Albuquerque Chapter)	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Scientific Basis, Professional1 point each Symptom Management2 points Professional or Treatment or Symptom Management or Psychosocial1 point Scientific Basis or Treatment or Symptom Management.....2 points CPHON® renewal candidates: 7 ILNA points may be applied toward: Professional1 point Symptom Management2 points Professional or Treatment or Symptom Management or Psychosocial1 point Treatment or Symptom Management.....2 points BMTCN® renewal candidates: 2 ILNA points may be applied toward: Professional2 points each	
9th Annual Blood and Marrow Transplant Nursing Forum 2017	Cincinnati Children's Hospital Medical Center	CPHON® renewal candidates: 6.75 ILNA points may be applied toward: Oncologic Emergencies1 point Professional2.75 points Symptom Management or Oncologic Emergencies or Professional or Disease Related Biology.....1* point Treatment Modalities2* points BMTCN® renewal candidates: 6.75 ILNA points may be applied toward: Post-Transplant Issues1 point Professional2.75 points Basic Concepts or preparative Regimens or Professional or Post-Transplant Issues1* point Types of Transplants2* points	*Note that some of the course content applies to multiple content areas. The numerical value indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.
Ada Canyon Medical Education Consortium/Coeur d'Alene, Idaho	International Conference on Advances in Hematology and Oncology	OCN®, AOCNP® and AOCNS® renewal candidates: 15 ILNA points may be applied toward: Scientific Basis/Diagnosis..... 5 points Treatment Modalities.....10 points CBCN® renewal candidates: 2 ILNA points may be applied toward: Treatment Modalities.....2 points	
Advanced Cancer Care 27th Annual MOCONS Spring Conference	ONS (Metro Omaha Chapter)	OCN®, AOCNP® and AOCNS® renewal candidates: 6.6 ILNA points may be applied toward: Scientific Basis3.6 points Psychosocial.....1 point End of Life2 points	
Advances in Blood and Marrow Transplant 2016 Symposium	University of Kansas Medical Center	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 7.2 ILNA points may be applied toward: Treatment Modalities.....7.2 points BMTCN® renewal candidates: 7.2 ILNA points may be applied toward: Basic Concepts1.8 points Types of Transplants0.9 points Pre-Transplant Care s3.6 points GVHD Prevention or Post Transplant Issues0.9 points	
Ambulatory Oncology Professional Development Day	Ambulatory Oncology Professional Development Day	OCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 3.5 ILNA points may be applied toward: Symptom Management or Oncologic Emergencies or Professional3.5 points CBCN® renewal candidates: 3.5 ILNA points may be applied toward: Symptom Management or Professional3.5 points BMTCN® renewal candidates: 3.5 ILNA points may be applied toward: Professional3.5 points	
ANCC	2015 Sanford Cancer Symposium	OCN®, AOCNP® and AOCNS® renewal candidates: 8.7 ILNA points may be applied toward: Screening.....0.5 points Scientific Basis.....4.7 points Treatment Modalities.....2 points Symptom Management.....0.5 points Survivorship.....0.5 points Professional.....0.5 points CPHON® renewal candidates: 8.2 ILNA points may be applied toward: Treatment Modalities.....2 points Symptom Management.....0.5 points Survivorship.....0.5 points Professional.....0.5 points Disease Related Biology.....4.7 points CBCN® renewal candidates: 6 ILNA points may be applied toward: Scientific Basis.....5 points Treatment Modalities.....0.5 points Professional.....0.5 points	
Annual Assembly of the American Academy of Hospice and Palliative Care Medicine	AAHPN	OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 24.5 ILNA points may be applied toward: Treatment or End of Life4 points End of Life8.5 points Symptom Management or End of Life.....2 points Professional10 points BMTCN® renewal candidates: 24.5 ILNA points may be applied toward: Professional10 points Post-Transplant Issues.....14.5 points	
Annual Fall Conference 2016	Karmanos Cancer Center	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 4.5 ILNA points may be applied toward: Screening/Early Detection, Treatment Modalities, Psychosocial...0.5 points each Symptom Management.....1 point Professional.....2 points	

Annual Palliative Care Symposium	University of California Irvine	OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 4 ILNA points may be applied toward: Symptom Management or Psychosocial or End of Life4 points BMTCN® renewal candidates: 4 ILNA points may be applied toward: Post Transplant Issues4 points	
ANPD Annual Convention 2016 - Aspire to Inspire	Association for Nursing Development	OCN®, CPHON®, CBCN®, AOCNP®, AOCNS® and BMTCN® renewal candidates: 20 ILNA points may be applied toward: Professional.....20 points	
AONN 6th Annual Navigation & Survivorship Conference	AONN	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 14.4 ILNA points may be applied toward: Screening2 points Psychosocial1 point Survivorship3.4 points Professional8 points	
AONN West Coast Meeting 2015	Post Graduate Institute for Medicine	OCN®, CPHON® and CBCN® renewal candidates: 8 ILNA points may be applied toward: Symptom Management, Psychosocial1 point each Survivorship 2 points Professional4 points AOCNP® and AOCNS® renewal candidates: 8 ILNA points may be applied toward: Symptom Management, Psychosocial1 point each Survivorship, Professional, Coordination of Care 2 points each BMTCN® renewal candidates: 8 ILNA points may be applied toward: Survivorship, Post Transplant Issues 2 points each Professional4 points	
APHON	Self-Care and Resiliency Building Workshop (2017)	CPHON® renewal candidates: 13.5 ILNA points may be applied toward: Professional13.5 points

How the Experts Treat Hematologic Malignancies Conference	City of Hope	<p>OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 17 ILNA points may be applied toward:</p> <p>Treatment Modalities.....13.5 points Symptom Management.....3.5 points</p>	
Identification & Management of Adverse Events in Cancer Immunotherapy: Presented at ONS Congress 2018	Creative Educational Concepts, Inc	1.5 ILNA points can be applied to the following content areas: Coordination of Care, Scientific Basis for Practice, Symptom Management or Treatment	Total ILNA points available for course: 1.5
Immune-Related Adverse Events in Cancer Immunotherapy: Practical Strategies for the Oncology Nurse	Creative Educational Concepts at ONS Regional Programs	<p>OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Scientific Basis/Diagnosis or Treatment1 point</p> <p>CPHON® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Treatment or Disease Related Biology1 point</p> <p>BMTCN® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Basic Concepts or Preparative Regimens1 point</p>	
Immuno-Oncology as an Emerging Therapeutic Option	ONS (Metro Denver Chapter)	<p>OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Scientific Basis/Diagnosis or Treatment Modalities1 point</p> <p>CPHON® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Treatment Modalities or Disease Related Biology1 point</p>	
Immunotherapy Checkpoint Inhibitors	Mercy Medical Center	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward:</p> <p>Scientific Basis/ Diagnosis or Treatment1.5 points</p> <p>OR</p> <p>Scientific Basis/ Diagnosis, Treatment.....0.75 points each</p>	
In A Galaxy Here and Now... Cancer Wards	UPMC	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward:</p> <p>Treatment Modalities3.4 points Treatment Modalities2.6 points</p> <p>OR</p> <p>Scientific Basis0.9 points Symptom Management1.7 points</p> <p>CBCN® renewal candidates: 1.8 ILNA points may be applied toward:</p> <p>Treatment Modalities0.9 points Treatment Modalities or Symptom Management0.9 points</p> <p>BMTCN® renewal candidates: 3.4 ILNA points may be applied toward:</p> <p>Preparative Regimens3.4 points</p>	
In A Galaxy Here and Now... Cancer Wars	UPMC	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 6 ILNA points may be applied toward:</p> <p>Scientific Basis.....1 point Scientific Basis or Treatment Modalities or Symptom Management5 points</p>	
Infusion Nurses Society	Vascular Access Virtual Conference 2016	<p>OCN® renewal candidates: 4 ILNA points may be applied toward:</p> <p>Treatment4 points</p> <p>OR</p> <p>Symptom Management2 points Oncologic Emergencies, Professional1 point each</p>	
Infusion Nurses Society	Virtual Conference: The Spectrum of Sepsis	<p>OCN® renewal candidates: 4 ILNA points may be applied toward:</p> <p>Oncologic Emergencies.....3.2 points Symptom Management or Survivorship or Professional0.80 points</p>	
INPD Conference 2015 Retooling the Nurse Educator Toolbox	Intermountain Chapter Nursing Professional Development	<p>OCN®, CPHON®, CBCN®, AOCNP®, AOCNS® and BMTCN® renewal candidates: 5.25 ILNA points may be applied toward:</p> <p>Professional.....5.25 points</p>	
Integrative Acupuncture and Chinese Medicine	ONS (Metro Denver Chapter)	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward:</p> <p>Symptom Management or Professional1 point</p>	
Interdisciplinary Oncology Symposium	William Beaumont Hospital	<p>OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 7.25 ILNA points may be applied toward:</p> <p>Screening5.25 points Treatment Modalities2 points</p>	
JADPRO	Benign Hematology: Bleeding Disorders	<p>OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward:</p> <p>Scientific Basis for Practice or Treatment Modalities.....1.00 point</p>	
JADPRO	Collaborative Practice in the Management of Patients With Gastrointestinal and Pancreatic Neuroendocrine Tumors	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward:</p> <p>Treatment Modalities.....1.00 point</p>	
JADPRO	Diagnostic Radiology: What the Advanced Practitioner Needs to Know Room: Grand Canyon 7 & 8	<p>AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward:</p> <p>Scientific Basis for Practice.....1.00 point</p>	
JADPRO	Dinner Symposium Immunotherapy for High-Risk Neuroblastoma and Dinutuximab Therapy - Supported by an unrestricted educational grant from United Therapeutics -	<p>OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward:</p> <p>Treatment Modalities.....1.0 point</p>	
JADPRO	Evolving Paradigms in Melanoma Therapy	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward:</p> <p>Treatment Modalities or Symptom Management1.0 point</p>	

JADPRO	Incorporating a Survivorship Clinic/Visit Into Practice	OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Scientific Basis for Practice or Treatment Modalities.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: Basic Concepts and Indications for Transplantation.....1.00 point	
JADPRO	Incorporating a Survivorship Clinic/Visit Into Practice	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Survivorship.....1.00 point	
JADPRO	Management of Dermatologic Toxicities from Targeted Therapies	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: .75 ILNA points may be applied toward: Symptom Management.....0.75 points BMTCN® renewal candidates: .75 ILNA points may be applied toward: Post-Transplant Issues.....0.75 points	
JADPRO	Management of Locally Advanced and Metastatic HER2 Positive Breast Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Scientific Basis for Practice or Treatment Modalities.....1.00 point CBCN® renewal candidates: 1.00 ILNA point may be applied toward: Diagnosis or Treatment Modalities.....1.00 point	
JADPRO	Management of Weight Loss in People With Cancer	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Symptom Management.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: Post-Transplant Issues.....1.00 point	
JADPRO	Navigating the Landscape of Molecular Testing and Treatments With Targeted Therapies for Patients With Non-Small Cell Lung Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Scientific Basis for Practice.....1.00 point	
JADPRO	Non-Small Cell Lung Cancer: Immunotherapy	OCN®, AOCNP® and AOCNS® renewal candidates: .75 ILNA points may be applied toward: Scientific Basis for Practice or Treatment Modalities.....0.75 points	
JADPRO	OPENING SESSION Panel Discussion: Revolution at the Corner Drugstore	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Professional1.5 points	
JADPRO	Outpatient Management of the Hematopoietic Stem Cell Transplant Patient	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Survivorship.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: GVHD Prevention and Management.....1.00 point	
JADPRO	Ovarian Cancer: Current Treatment and Patient Management	OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Symptom Management, Psychosocial or Scientific Basis for Practice.....1.00 point	
JADPRO	Pre-Conference Workshop: Grant Writing Made Easier -	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Professional2.75 points	
JADPRO	Pre-Conference Workshop: Hands-On Skills - Repeat	AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Roles of the APRN.....2.75 points	
JADPRO	Pre-Conference Workshop: Hands-On Skills - SOLD OUT	AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Roles of the APRN.....2.75 points	
JADPRO	Pre-Conference Workshop: Immunotherapy Primer	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Scientific Basis for Practice or Treatment Modalities.....2.75 points BMTCN® renewal candidates: 2.75 ILNA points may be applied toward: Pre-Transplant Care.....2.75 points	
JADPRO	Pre-Conference Workshop: Primary Care Considerations for the Patient With Cancer	AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Coordination of Care.....2.75 points	
JADPRO	Pre-Conference Workshop: Tools & Technology: Everyday Applications	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Professional2.75 points	
JADPRO	Radiation Oncology: What Radiation Oncology Wants Medical Oncology to Know	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Treatment Modalities or Symptom Management.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: Preparative Regimens and Stem Cell Infusion or Post-Transplant Issues.....1.00 point	
JADPRO	Review of Newly Approved Oncologic Therapies: 2014-2015	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Treatment Modalities.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: Preparative Regimens and Stem Cell Infusion.....1.00 point	
JADPRO	Risk-Stratified Treatment in Chronic Lymphocytic Leukemia	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Treatment Modalities.....1.00 point BMTCN® renewal candidates: 1.00 ILNA point may be applied toward: Preparative Regimens and Stem Cell Infusion.....1.00 point	
JADPRO	The Role of Exercise and Rehabilitation in the Cancer Care Plan	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: .75 ILNA points may be applied toward: Survivorship0.75 points	
JADPRO	The Science Behind Biologics and Biosimilars	AOCNP® and AOCNS® renewal candidates: .75 ILNA points may be applied toward: Treatment Modalities.....0.75 points	
JADPRO	Updates in the Treatment of Metastatic Colorectal Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 1.00 ILNA point may be applied toward: Treatment Modalities.....1.00 point	
JADPRO 2016	Advances in Collaborative Practice for Patients With Head and Neck Cancers	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management or Scientific Basis1 point	
JADPRO 2016	Best Practices in the Management of Infectious Complications for Cancer Patients	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Symptom Management1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues.....1 point	
JADPRO 2016	Cancer Clinical Trials: Navigating the Changing Landscape	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Treatment Modalities2.75 points	

JADPRO 2016	Collaborative Management of Patients with Estrogen Receptor-Positive Breast Cancer	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management.....1 point	
JADPRO 2016	Collaborative Management of Patients with Gastric Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management or Professional1 point	
JADPRO 2016	Defining the New Treatment Paradigm for Patients With Chronic Lymphocytic Leukemia	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management or Scientific Basis or Professional Practice1 point	
JADPRO 2016	Diagnosis and Treatment of Adenocarcinomas and Squamous Cell Carcinomas of the Lung	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management or Scientific Basis1 point	
JADPRO 2016	Hands-on Skills (Bone Marrow Aspiration, Lumbar Puncture, Ommaya Reservoir Access, Punch Biopsy, and Suturing)	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Scientific Basis or Professional2.75 points CPHON® renewal candidates: 2.75 ILNA points may be applied toward: Disease Related Biology or Professional2.75 points BMTCN® renewal candidates: 2.75 ILNA points may be applied toward: Basic Concepts and Indications for Transplantation2.75 points	
JADPRO 2016	Hands-on-Skills (Bone Marrow Aspiration, Lumbar Puncture, Ommaya Reservoir Access, Punch Biopsy, and Suturing)	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Scientific Basis or Professional2.75 points CPHON® renewal candidates: 2.75 ILNA points may be applied toward: Disease Related Biology or Professional2.75 points BMTCN® renewal candidates: 2.75 ILNA points may be applied toward: Basic Concepts and Indications for Transplantation2.75 points	
JADPRO 2016	Imaging From A to Z: What Advanced Practitioners Need to Know	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 2.75 ILNA points may be applied toward: Scientific Basis2.75 points CPHON® renewal candidates: 2.75 ILNA points may be applied toward: Disease Related Biology2.75 points BMTCN® renewal candidates: 2.75 ILNA points may be applied toward: Basic Concepts and Indications for Transplantation2.75 points	
JADPRO 2016	Immunotherapy: Advances and Updates	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Preparative Regimens and Stem Cell Infusion1 point

ONS Congress 2017 (Symposium)	Targeting the DNA Damage Response Pathway: The Evolving Role of PARP Inhibitors in Cancer Therapy	OCN®, AOCNP®, and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Treatment Modalities0.5 points Treatment Modalities or Scientific Basis/Diagnosis0.5 points Treatment Modalities or Symptom Management0.5 points	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Cancer Immunotherapy by Research to Practice	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Treatment.....1 point Symptom Management.....0.5 points	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Lymphoma and Chronic Lymphocytic Leukemia by Research to Practice	OCN®, AOCNP® and AOCNS® renewal candidates: 2 ILNA points may be applied toward: Scientific Basis/ Diagnosis1 point Treatment Modalities 1 point	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Non-Small Cell Lung Cancer by Research to Practice	OCN®, AOCNP® and AOCNS® renewal candidates: 2 ILNA points may be applied toward: Scientific Basis/ Diagnosis0.5 points Treatment Modalities 1 point Symptom Management0.5 points	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Breast Cancer by Research to Practice	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Treatment.....1 point Survivorship.....0.5 points	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Gastrointestinal Cancer by Research to Practice	OCN®, AOCNP® and AOCNS® renewal candidates: 2 ILNA points may be applied toward: Scientific Basis/ Diagnosis0.5 points Treatment Modalities 1 point Symptom Management or Survivorship0.5 points	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Myeloproliferative Neoplasms: by Research to Practice	OCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Scientific Basis/ Diagnosis0.5 points Treatment Modalities 1 point	
ONS Congress 2017 Oncology Grand Rounds	Oncology Grand Rounds - Ovarian Cancer by Research to Practice	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Treatment.....1 point Symptom Management.....0.5 points	
ONS e-Conference 2013	Care Coordination: Improving Patient-Centered Care	OCN® and CBCN® renewal candidates: 14.7 ILNA points may be applied toward: Professional14.7 points AOCNP® and AOCNS® renewal candidates: 14.7 ILNA points may be applied toward: Coordination of Care14.7 points	
ONS Leadership Weekend	Leadership Weekend - 2017 Board Track	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 5.5 ILNA point may be applied toward: Professional5.5 points	

ONS Leadership Weekend	Leadership Weekend - 2017 Chapter Leadership Track	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 6.25 ILNA point may be applied toward: Professional6.25 points	
Optum Health Education	The Eighth: Extraordinary Innovations and Emerging Trends in Transplantation and Oncology from Nebraska Medicine-Day 1 and Day 2 Combined	OCN®, AOCNP® and AOCNS® renewal candidates: 7.25 ILNA points may be applied toward: Scientific Basis/Diagnosis or Treatment2.5 points Treatment Modalities1 point Survivorship0.75 points Professional3 points CPHON® renewal candidates: 5.75 ILNA points may be applied toward: Treatment Modalities2 points Survivorship0.75 points Professional3 points CBCN® renewal candidates: 1.75 ILNA points may be applied toward: Survivorship0.75 points Professional1 point BMTCN® renewal candidates: 5.75 ILNA points may be applied toward: Survivorship0.75 points Professional3 points Basic Concepts, Types of Transplants1 point each	
Pain Management Fair	Fauquier Health	OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Symptom Management1.5 points BMTCN® renewal candidates: 1.5 ILNA points may be applied toward: Post Transplant Issues1.5 points	
Palliative Care Education Series	UCSF	OCN®, CPHON®, CBCN®, AOCNP® and AOCNS® renewal candidates: 12 ILNA points may be applied toward: Symptom Management, Psychosocial, Professional2 points each End of Life6 points BMTCN® renewal candidates: 12 ILNA points may be applied toward: Professional2 points Post Transplant Issues10 points	
Palliative Care in the Oncology Setting	ONS (Metro Denver Chapter)	OCN®, CPHON®, AOCNP®, AOCNS® and CBCN® renewal candidates: 1 ILNA point may be applied toward: End of Life1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Post-Transplant Issues1 point	
Pediatric Emergency Assessment Recognition and Stabilization Course	Fauquier Health	CPHON® renewal candidates: 6 ILNA points may be applied toward: Oncologic Emergencies6 points	
Pediatric Fundamental Critical Care Support 2014	Loma Linda University Medical Center	CPHON® renewal candidates: 4.25 ILNA points may be applied toward: Treatment Modalities.....1.5 points Oncologic Emergencies2.75 points	
Pediatric Solid Tumors	Cincinnati Children's Hospital Medical Center	CPHON® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities or Symptom Management or Oncologic Emergencies or Disease Related Biology.....1 point	
Pharmacology and Legal Status of Kratom: An emerging Botanical Agent with Stimulant Analgesic and Reputed Opioid like Effects	ONS (Chicago Chapter)	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1.25 ILNA points may be applied toward: Symptom Management.....1.25 points BMTCN® renewal candidates: 1.25 ILNA points may be applied toward: Post-Transplant Issues1.25 points	
Physicians Educational Resources (PER)	1st Annual School of Nursing Oncology	OCN®, AOCNP®, and AOCNS® renewal candidates: 10.25 ILNA points may be applied toward: Scientific Basis/DiagnosisUp to 5* points Treatment Modalities.....Up to 4* points Symptom ManagementUp to 3* points PsychosocialUp to 1.5* points End of Life0.5 points *Please note that some of the course content applies to multiple content areas. The numerical value above indicates the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course.	
Piedmont Triad Chapter Oncology Nursing Symposium	ONS (Piedmont Triad Chapter)	OCN®, AOCNP®, and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Psychosocial, Oncologic Emergencies, Survivorship, End of Life, Professional..1 point each CBCN® renewal candidates: 5 ILNA points may be applied toward: Symptom Management, Psychosocial, Survivorship, End of Life, Professional..1 point each BMTCN® renewal candidates: 5 ILNA points may be applied toward: Survivorship, Professional.....1 point each Post-Transplant Issues3 points	
Preceptor Skills Workshop	Loma Linda University Medical Center	OCN®, CPHON®, CBCN®, AOCNP®, AOCNS® and BMTCN® renewal candidates: 5 ILNA points may be applied toward: Professional.....5 points	
Preceptor Workshop	Fauquier Health	OCN®, CBCN®, CPHON®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 5.5 ILNA points may be applied toward: Professional5.5 points	
PRIMO	Practical Recommendations in Immuno & Molecular Oncology	OCN®, AOCNP® and AOCNS® renewal candidates: 12.9 ILNA points may be applied toward: Scientific Basis, Symptom Management2.5 points each Treatment Modalities.....7.9 points	
Radiation Oncology for Nurses	Mercy Medical Center	OCN® renewal candidates: 7.2 ILNA points may be applied toward: Screening/Early Detection, Scientific Basis/Diagnosis1 point each Treatment Modalities3.2 points Oncologic Emergencies, Professional1 point each	
Reasoning with Unreasonable People: Focus on Disorders of Emotional Regulation	Institution for Brain Potential	OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Psychosocial4.5 points Professional1.5 points BMTCN® renewal candidates: 6 ILNA points may be applied toward: Professional1.5 points Post Transplant Issues4.5 points	
Reframing Stressful Situations in the Clinical Setting	Dana Farber Cancer Institute	OCN®, CPHON®, CBCN®, BMTCN®, AOCNP®, and AOCNS® renewal candidates: 0.75 ILNA points may be applied toward: Professional0.75 points	

Regional Cancer Conference 2015	King's Daughters Medical Center	OCN®, AOCNP® and AOCNS® renewal candidates: 3.6 ILNA points may be applied toward: Screening/Early Detection.....0.5 points Scientific Basis/Diagnosis, End of Life.....1.25 points each Treatment Modalities0.6 points	
Regional Cancer Conference 2016	King's Daughters Medical Center	OCN® renewal candidates: 5.1 ILNA points may be applied toward: Screening/Early Detection.....2 points Scientific Basis/Diagnosis,1.5 points End of Life1 point Professional0.6 points AOCNP® and AOCNS® renewal candidates: 5.1 ILNA points may be applied toward: Screening/Early Detection.....2 points Scientific Basis/Diagnosis,0.5 points End of Life2 point Coordination of Care.....0.6 points	
San Antonio Breast Cancer Symposium 2017	Changing Recommendations for Intermediate Risk Lesions	OCN®, CBCN, AOCNP®renewal candidates: 1.5 ILNA points may be applied toward: Screening/Early Detection or Scientific Basis/Diagnosis or Treatment.....1.5 points CPHON® renewal candidates: 1.5 ILNA points may be applied toward: Treatment or Disease Related Biology1.5 points AOCNP® renewal candidates: 1.5 ILNA points may be applied toward: Treatment1.5 points BMTCN® renewal candidates: 1.5 ILNA points may be applied toward: Basic Concepts or Preparative Regimens.....1.5 points	
Sanford Cancer Symposium 2016	A Focus on Head and Neck Cancer	OCN®, AOCNP® and AOCNS® renewal candidates: 10.07 ILNA points may be applied toward: Scientific Basis/Diagnosis3.35 points Treatment Modalities or Symptom Management or Professional3.37 points Psychosocial or Survivorship3.35 points	
Scripps' 34th Annual Conference Clinical Hematology and Oncology 2014	Scripps Health	OCN®, AOCNP® and AOCNS® renewal candidates: 25 ILNA points may be applied toward: Scientific Basis, Professional5 points each Treatment Modalities10 points Scientific Basis or Treatment Modalities or Professional5 points CPHON® renewal candidates: 25 ILNA points may be applied toward: Disease Related Biology, Professional5 points each Treatment Modalities10 points Disease Related Biology or Treatment Modalities or Professional5 points BMTCN® renewal candidates: 15 ILNA points may be applied toward: Professional, Basic Concepts, Pre Transplant Care5 points each	
Scripps' 39th Annual Clinical Hematology & Oncology Conference 2018	February 17, 2018 - Nonmalignant Hematology	-- ITP Update for 2018 8:00 - 8:45am 0.75 ILNA Points in (CHOOSE ONE): Scientific Basis for Practice, Disease Related Biology, Symptom Management, Survivorship, or Treatment -- "Mind the Gap" 8:45 - 9:30am 0.75 ILNA Points in (CHOOSE ONE): Oncologic Emergencies, Symptom Management, Treatment, Survivorship, Professional Practice or Roles of the APN -- Sickle Cell Disease and Other Hemoglobinopathies: 2018 Update 10:00 - 10:45am 0.75 ILNA Points in (CHOOSE ONE): Disease Related Biology, Scientific Basis for Practice, Symptom Management, Survivorship or Treatment --Hormones and Thrombosis: Everything the Hematologist Wants to Know 10:45 - 11:30am 0.75 ILNA Points in (CHOOSE ONE): Disease Related Biology, Scientific Basis for Practice, Treatment, Survivorship, Symptom Management, Professional Practice or Roles of the APN --Lessons Learned from Clinical Practice from Having Been an Expert Witness in Thrombosis & Hemostasis Lawsuits 11:30 - 12:15pm 0.75 ILNA Points in (CHOOSE ONE): Professional Practice or Roles of the APN --Radiological Pitfalls Relevant for the Practicing Heme-Onc Physician 1:15 - 2:00pm 0.75 ILNA Points in (CHOOSE ONE): Professional Practice or Roles of the APN --Oncology Drugs Causing Bleeding or Clotting 2:00 - 2:45pm 0.75 ILNA Points in (CHOOSE ONE): Treatment, Symptom Management or Oncologic Emergencies --Myelofibrosis: 2018 Review and Update 2:45 - 3:30pm 0.75 ILNA Points in (CHOOSE ONE): Scientific Basis for Practice, Disease Related Biology, Symptom Management, Survivorship or Treatment --Workshops 4:00 - 5:00pm Less Common Thromboses Syndromes of DIC Bleeding Disorders Not Due to Hemostatic Failure Diagnosis and Management of Plasma Cell Disorders	Total CNE for entire conference: 25.25
Scripps' 39th Annual Clinical Hematology & Oncology Conference 2018	February 18, 2018 - Malignant Hematology	--Novel Strategies in Acute Leukemia of Relevance to Clinical Practice 8:00 - 8:45am 0.75 ILNA Points in (CHOOSE ONE): Coordinaton of Care, Navigation, Diagnosis & Staging, Disease Related Biology, Symptom Management, Treatment, Survivorship, Psychosocial, Professional Practice or Roles of the APN --Complicated Clinical Scenarios in Myelomas 8:45 - 9:30am 0.75 ILNA Points in (CHOOSE ONE): Coordinaton of Care, Navigation, Diagnosis & Staging, Disease Related Biology, Symptom Management, Treatment, Survivorship, Psychosocial, Professional Practice, or Roles of the APN --CAR-T Therapy for Acute Leukemia 10:00 - 10:45am .75 ILNA Points in (CHOOSE ONE): Coordinaton of Care, Navigation, Disease Related Biology, Symptom Management, Treatment, Survivorship or Scientific Basis for Practice --Current Approaches to Mantle Cell Lymphoma 10:45 - 11:30am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Navigation, Diagnosis & Staging, Disease Related Biology, Symptom Management, Survivorship, Treatment, Scientific Basis for Practice, Professional Practice or Roles of the APN --Immunotherapy in Myeloid Malignancies 11:30 - 12:15pm 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Diagnosis & Staging, Disease Related Biology, Navigation, Treatment, Symptom Management, Survivorship, Scientific Basis for Practice, Professional Practice or Roles of the APN --The Oncology Care Model 1:15 - 2:00pm 0.75 ILNA Points in (CHOOSE ONE): Navigation, Professional Practice or Roles of the APN --CLL: Ibrutinib Alone or Ibrutinib "Plus"? 2:00 - 2:45pm 0.75 ILNA Points in (CHOOSE ONE): Treatment or Disease Related Biology --Evolution of Targeted Therapies for Myeloproliferative Neoplasms 2:45 - 3:30pm 0.75 ILNA Points in (CHOOSE ONE): Disease Related Biology, Navigation, Survivorship, Scientific Basis for Practice, Treatment, or Symptom Management -- Workshops 4:00 - 5:00pm	Total CNE for entire conference: 25.25

Scripps' 39th Annual Clinical Hematology & Oncology Conference 2018	February 19, 2018 - Updates in Oncology	<p>-- CardioOncology 8:00 - 8:45am 0.75 ILNA Points in (CHOOSE ONE): Professional Practice or Roles of the APN</p> <p>-- Schwartz Lectureship PROSTATE CANCER 2018 8:45 - 9:30am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Diagnosis & Staging, Disease Related Biology, Health Promotion/Screening, Navigation, Treatment, Symptom Management, Survivorship, Professional Practice, Roles of the APN, or Scientific Basis of Practice</p> <p>-- Upfront Management of Operable Lung Cancer 10:00 - 10:45am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Diagnosis & Staging, Disease Related Biology, Navigation, Treatment, Symptom Management, Survivorship, Scientific Basis for Practice, Professional Practice or Roles of the APN</p> <p>-- Individualizing Therapy and Improving Survival in Colorectal Cancer 10:45 - 11:30am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Diagnosis & Staging, Disease Related Biology, Health Promotion/Screening, Navigation, Treatment, Symptom Management, Scientific Basis for Practice, Psychosocial, Professional Practice, Roles of the APN, or Survivorship</p> <p>-- Operable Melanoma 11:30 - 12:15pm 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care,Diagnosis & Staging, Disease Related Biology, Health Promotion/Screening, Navigation, Treatment, Symptom Management, Survivorship, Psychosocial, Professional Practice, Roles of the APN, or Scientific Basis for Practice</p> <p>-- Incorporating Precision Medicine Into Your Practice: How, Why, When? 1:15 - 2:00pm 0.75 ILNA Points in (CHOOSE ONE): Professional Practice or Roles of the APN</p> <p>-- Immunotherapy in Upper Gastrointestinal Malignancies 2:00 - 2:45pm 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Disease Related Biology, Professional Practice, Roles of the APN, Treatment, Symptom Management, Scientific Basis for Practice, or Survivorship</p> <p>-- Immunotherapy: An Illusion or a Reality 2:45 - 3:30pm 0.75 ILNA Points in (CHOOSE ONE): Disease Related Biology or Scientific Basis for Practice Treatment</p>	Total CNE for entire conference: 25.25
Scripps' 39th Annual Clinical Hematology & Oncology Conference 2018	February 20, 2018 - Innovations in Breast Cancer	<p>Lifestyle Interventions to Improve Cardiorespiratory Fitness and Reduce Breast Cancer Occurrence 7:30 - 8:15am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Health Promotion/Screening, Navigation, Psychosocial, Professional Practice, Roles of the APN or Survivorship</p> <p>The WISDOM STUDY: Screening for Breast Cancer 8:15 - 9:00 am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Health Promotion/Screening, Navigation, Psychosocial, Professional Practice, Roles of the APN, Survivorship or Diagnosis & Staging</p> <p>Management of Heterogeneous Breast Cancers 9:15 - 10:00am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Disease Related Biology, Navigation, Professional Practice, Roles of the APN, Treatment, Symptom Management, Scientific Basis for Practice or Diagnosis & Staging</p> <p>Optimizing Neoadjuvant/Adjuvant Treatment Options in Patients with HER2 10:00 - 10:45am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Disease Related Biology, Navigation, Professional Practice, Roles of the APN, Treatment, Symptom Management, Scientific Basis for Practice, or Diagnosis & Staging</p> <p>The Triple Negative Conundrum 10:45 - 11:30am 0.75 ILNA Points in (CHOOSE ONE): Coordination of Care, Disease Related Biology, Navigation, Professional Practice, Roles of the APN, Treatment, Symptom Management, Scientific Basis for Practice or Diagnosis & Staging</p>	Total CNE for entire conference: 25.25
Scripps Cancer Care Symposium 2015	A Nursing and Advanced Practice Collaboration	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 20.25 ILNA points may be applied toward: Scientific Basis2 points Treatment Modalities5.4 points Professional6.1 points</p>	
Seattle Cancer Care Alliance	End of Life Nursing Education - SCCA	<p>OCN®, CPHON®, CBCN® AOCNP® and AOCNS® renewal candidates: 16.5 ILNA points may be applied toward: Symptom Management.....6 points End of Life.....6 points Professional.....4.5 points</p> <p>BMTCN® renewal candidates: 16.5 ILNA points may be applied toward: Professional.....4.5 points Post-Transplant Issues..... 12 points</p>	
Sex, Drugs, and Am I too Old	ONS (St Louis Chapter)	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Screening/Early Detection, Treatment, Professional0.5 points each Scientific Basis/ Diagnosis1.5 points Symptom Management , Psychosocial, Survivorship1 point each</p>	
Sexual Health for Cancer Patients: Challenges and Intervention	Dana Farber Cancer Institute	<p>OCN® renewal candidates: 1 ILNA point may be applied toward: Psychosocial or Survivorship1 point</p>	
Show Me the Evidence 2014 – Greater St Louis ONS Chapter	ONS (Greater St Louis Chapter)	<p>OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Treatment Modalities2.25 points Psychosocial, Professional.....2 points each</p> <p>BMTCN® renewal candidates: 6.25 ILNA points may be applied toward: Survivorship, Professional2 points each Preparative Regimens2.25 points</p>	
Sixth Annual Advances in Hematology and Oncology Fall Symposium - 2017	Medical College of Wisconsin	<p>OCN®, AOCNP® and AOCNS® renewal candidates: 3.5 ILNA points may be applied toward: Scientific Basis/Diagnosis or Treatment Modalities or Symptom Management or Survivorship or Professional3.5 points</p>	
Solid Tumor (Day 1)	MD Anderson Cancer Center	<p>OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 7.25 ILNA points may be applied toward: Screening, Scientific Basis, Treatment1.45 points each Treatment or Professional1.45 points Symptom Management or Professional1.45 points</p> <p>CPHON® renewal candidates: 7.25 ILNA points may be applied toward: Disease Related Biology2.9 points Treatment1.45 points Treatment or Professional1.45 points Symptom Management or Professional1.45 points</p>	
Solid Tumor (Day2)	MD Anderson Cancer Center	<p>OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 7.5 ILNA points may be applied toward: Screening, Scientific Basis, Professional2.5 points each</p> <p>CPHON® renewal candidates: 7.5 ILNA points may be applied toward: Disease Related Biology5 points Professional2.5 points</p>	

Spring to Life Conference on Hematologic Malignancies 2016	Medical College of Wisconsin	OCN®, AOCNP® and AOCNS® renewal candidates: 6.75 ILNA points may be applied toward: Scientific Basis0.5 points Scientific Basis or Treatment1 point Treatment Modalities3.25 points Psychosocial1 point Survivorship1 point	
Stanford Cancer Immunotherapy Symposium 2018	ACCME	Up to 11.25 points can be applied to the following content areas: Disease Related Biology 11.25* Oncologic Emergencies11.25* Scientific Basis for Practice 11.25* Symptom Management.....11.25* Treatment 11.25* Basic Concepts for Transplantation.....11.25* Types of Transplants and Sources of Stem Cells.....11.25* Pre-Transplant Care.....11.25* Preparative Regimens.....11.25* Graft-versus-Host Disease Prevention and Management.....11.25*	*Note that the course content applies to multiple content areas across multiple credentials. The numerical value indicated above is the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course and may only apply to the credential you are renewing.
Stanford Hematology Review of the 57th Annual Meeting	Stanford University School of Medicine	OCN®, AOCNP® and AOCNS® renewal candidates: 5.75 ILNA points may be applied toward: Scientific Basis or Treatment5.75 points	
Summer CEU and Vendor Fair "Burned Out to On Fire" -- "Flourishing in Well Being" -- "Meditation"	ONS (Greater Los Angeles Chapter)	OCN®, CPHON®, CBCN®, AOCNP®, AOCNS® and BMTCN® renewal candidates: 3 ILNA points may be applied toward: Professional.....3 points (1 point per session)	
Survivorship: Impact of Diet and Exercise on Cancer Recurrence (April 14, 2016)	City of Hope	OCN®, CBCN®, BMTCN®, AOCNP® and AOCNS® renewal candidates: 1.5 ILNA points may be applied toward: Survivorship1.5 points	
Targeting the DNA Damage Response Pathway The Evolving Role of PARP Inhibitors	CEConcepts	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis/Diagnosis or Treatment or Symptom Management or Professional1 point CPHON® renewal candidates: 1 ILNA point may be applied toward: Disease Related Biology or Treatment or Symptom Management or Professional1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Professional or Post-Transplant Issues1 point	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	Patient-Reported Outcomes for Symptom Monitoring During Routine Cancer Treatment	Up to 0.75 CE can be applied to the following content areas: Professional Practice or Symptom Management	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 1: Management of Non-Small Cell Lung Cancer (NSCLC) with a Targetable Mutation — Part 1	Up to 1.5 CE can be applied to the following content areas: Diagnosis and Staging or Treatment or Symptom Management or Professional Practice or Scientific Basis or Disease Related Biology or Roles of the APN	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 2: Management of NSCLC with a Targetable Mutation — Part 2	Up to 1.5 CE can be applied to the following content areas: Diagnosis and Staging or Treatment or Symptom Management or Professional Practice or Survivorship or Roles of the APN	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 3: Current and Future Application of Immunotherapy in Lung Cancer — Part 1	Up to 1.5 CE can be applied to the following content areas: Diagnosis and Staging or Scientific Basis or Treatment or Professional Practice or Disease Related Biology or Roles of the APN	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 4: Current and Future Application of Immunotherapy in Lung Cancer — Part 2	Up to 1.65 CE can be applied to the following content areas: Treatment or Professional Practice or Roles of the APN	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 5: Meet the Professors: Palliative Care and Psychiatric Support for Patients with NSCLC	Up to 1.0 CE can be applied to the following content areas: Palliative Care or Psychosocial or Treatment or Professional	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 6: Surgery, Radiation Therapy and Other Issues in the Management of NSCLC	Up to 1.5 CE can be applied to the following content areas: Treatment or Professional Practice or Survivorship	
The 15th Annual Winter Lung Cancer Conference 2018 Research to Practice	SESSION 7: Practical Clinical Issues in the Treatment of Locally Advanced NSCLC in the Current Era	Up to 1.1 CE can be applied to the following content areas: Treatment or Symptom Management or Oncologic Emergencies	
The Breast Care Course	MSKCC	OCN® and CBCN® renewal candidates: 12.75 ILNA points may be applied toward: Screening, Symptom Management, Psychosocial1 point each Scientific Basis2 points Treatment Modalities4.75 points Professional3 points AOCNP® and AOCNS® renewal candidates: 12.75 ILNA points may be applied toward: Screening, Symptom Management, Psychosocial1 point each Scientific Basis2 points Treatment Modalities4.75 points Coordination of Care1 point Roles of the APN2 points	
The Ebb and Flow of Liquid Tumors	ONS (Northeast Multistate Division RI and SE MA Chapter)	OCN®, AOCNP® and AOCNS® renewal candidates: 5 ILNA points may be applied toward: Scientific Basis..... 1 point Treatment.....4 points CPHON® renewal candidates: 5 ILNA points may be applied toward: Disease Related Biology 1 point Treatment.....4 points	
The Fine Art & Science of Pain and Palliative Care 2014	The Queen's Medical Center	OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 7 ILNA points may be applied toward: Symptom Management2.63 points End of Life3.5 points Professional0.87 points BMTCN® renewal candidates: 7 ILNA points may be applied toward: Professional0.87 points Post Transplant Issues6.13 points	

The Fine Art & Science of Pain and Palliative Care 2015	The Queen's Medical Center	OCN®, CBCN®, CPHON®, AOCNP®, and AOCNS® renewal candidates: 7.25 ILNA points may be applied toward: Symptom Management3.2 points Psychosocial, End of Life1.6 points each Professional0.85 points BMTCN® renewal candidates: 7.25 ILNA points may be applied toward: Professional0.85 points Post Transplant Issues6.4 points	
The Fine Art and Science of Pain and Palliative Care	The Queen's Medical Center Conference on Pain & Palliative Care	OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 7.25 ILNA point may be applied toward: Symptom Management3.25 points Psychosocial, Professional1 point each End of Life2 points BMTCN® renewal candidates: 7.25 ILNA points may be applied toward: Survivorship1 point Professional.....2 points Post Transplant Issues4.25 points	
The Future of Breast Cancer Care: An Educational Conference	University of Tennessee	OCN®, CBCN®, AOCNP® and AOCNS® renewal candidates: 6 ILNA points may be applied toward: Scientific Basis2 points Screening, Treatment, Survivorship, End Of Life1 point each	
The History of Colorectal Cancer	Mercy Medical Center	OCN® renewal candidates: 1.2 ILNA points may be applied toward: Scientific Basis/Diagnosis 0.4 points Treatment Modalities0.8 points	
The Importance of Nursing and Leadership: Impact of the IOM (2015 Congress Breakfast)	ONCC Recognition Breakfast	OCN®, CPHON®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Professional1 point	
The Ohio State University College of Nursing's Center for Transdisciplinary EBP	Making evidence-based practice a reality in your organization	37 ILNA points can be applied to Professional Practice	Total ILNA points available for course: 37
The Use of Multi-Gene Cancer Genetic Testing Panels for Breast Cancer	ONS (Northeastern Wisconsin Chapter)	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Screening or Scientific Basis.....1 point	
Trali vs Taco	ONS (Metro Denver Chapter)	OCN®, CBCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Symptom Management or Professional1 point BMTCN® renewal candidates: 1 ILNA points may be applied toward: Professional or Post Transplant Issues1 point	
Tumor Conference University of Toledo	Other Solid Tumors and Hematologic Malignancies	OCN® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis or Treatment or Symptom Management or Professional1 point CPHON® renewal candidates: 1 ILNA points may be applied toward: Treatment or Symptom Management or Professional or Disease Related Biology1 point AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Scientific Basis or Treatment or Symptom Management or Professional or Coordination of Care.....1 point BMTCN® renewal candidates: 1 ILNA point may be applied toward: Professional or Preparative Regimens1 point	
Updates in Cancer Care 2017	Northwell Health Institute for Nursing	OCN®, AOCNP® and AOCNS® renewal candidates: 5.25 ILNA points may be applied toward: Scientific Basis/ Diagnosis1.25 points Treatment Modalities, Symptom Management2 points each	
Updates in Oncology Conference	ONS (Metro Detroit)	OCN®, AOCNP®, and AOCNS® renewal candidates: 6.25 ILNA points may be applied toward: Treatment Modalities 2 points Professional2.25 points Screening or Scientific Basis1 point Survivorship or Professional1 point	
Updates in Oncology Nursing: Highlights from the ONS 42nd Annual Congress	ONS (2017 Congress Highlights)	OCN®, CBCN®, AOCNP®, and AOCNS® renewal candidates: 6.5 ILNA points may be applied toward: Treatment1.5 points Symptom Management1.25 points Professional.....1.25 points Psychosocial or Professional.....1.25 points Scientific Basis/Diagnosis or Symptom Management or Psychosocial or Survivorship1.25 points CPHON®renewal candidates: 6.5 ILNA points may be applied toward: Treatment1.5 points Symptom Management1.25 points Professional.....1.25 points Psychosocial or Professional.....1.25 points Symptom Management or Psychosocial or Survivorship1.25 points BMTCN® renewal candidates: 3.75 ILNA points may be applied toward: Survivorship1.25 points Professional1.5 points	
Updates of ASH 2015	University of Pittsburgh	OCN®, AOCNP® and AOCNS® renewal candidates: 5.75 ILNA points may be applied toward: Scientific Basis1.75 points Treatment Modalities4 points	
Velcade in Mantle Cell and the Importance of 1 year treatment with Velcade in Melanoma	ONS (Metro Denver Chapter)	OCN®, AOCNP® and AOCNS® renewal candidates: 1 ILNA point may be applied toward: Treatment Modalities1 point	
Wellstar Health System	2016 OCN Review Course	OCN®, CPHON®, AOCNP® and AOCNS® renewal candidates: 3.75 ILNA points may be applied toward: Symptom Management or Oncologic Emergencies or End of Life or Professional3.75 points CBCN® renewal candidates: 3.75 ILNA points may be applied toward: Symptom Management or End of Life or Professional3.75 points BMTCN® renewal candidates: 3.75 ILNA points may be applied toward: Professional or Post Transplant Issues3.75 points	

Wisconsin Nurses Association	13th Annual Oncology Spring Forum: Emerging Concepts in Cancer Care	<p>OCN®, AOCNP®, and AOCNS® renewal candidates: 6.67 ILNA points may be applied toward:</p> <p>Screening/Early Detection0.8 points Scientific Basis/Diagnosis or Treatment0.8 points Treatment Modalities.....2.6 points Symptom Management1.67 points Oncologic Emergencies or Professional 0.8 points</p> <p>CPHON® renewal candidates: 6.67 ILNA points may be applied toward:</p> <p>Disease Related Biology0.8 points Disease Related Biology or Treatment0.8 points Treatment Modalities.....2.6 points Symptom Management1.67 points Oncologic Emergencies or Professional 0.8 points</p> <p>CBCN® renewal candidates: 4 ILNA points may be applied toward:</p> <p>Screening/Early Detection0.8 points Treatment Modalities.....1.6 points Symptom Management0.8 points Symptom Management or Professional 0.8 points</p> <p>BMTCN® renewal candidates: 0.8 ILNA points may be applied toward:</p> <p>Professional or Post-Transplant Issues0.8 points</p>	
Wound, Skin Care and Ostomy Update 2016	Mills Peninsula Health Services	Up to 8 ILNA points can be applied to the following content areas: Coordination of Care, Professional Practice, Symptom Management or Treatment	Total ILNA points available for course: 8
Year in Review: A 4-Part Multitumor Regional CME Symposia Series in Orlando, Boston and Santa Mon	Research to Practice	<p>OCN® and CBCN® renewal candidates: 6.75 ILNA points may be applied toward:</p> <p>Scientific Basis.....0.75 points Treatment Modalities, Professional.....2.5 points each Professional1 point</p> <p>AOCNP®, and AOCNS® renewal candidates: 6.75 ILNA points may be applied toward:</p> <p>Scientific Basis.....0.75 points Treatment Modalities or Professional or Coordination of Care2.5 points Roles of the APN.....5 points</p> <p>BMTCN® renewal candidates: 6.75 ILNA points may be applied toward:</p> <p>Professional.....2.5 points Basic Concepts.....0.75 points Preparative Regimens2.5 points GVHD Prevention or Post-Transplant Issues0.75 points</p>
