- Diagnostic Radiology: Which Test Is Best – **2 Points**

#### 4:00 PM - 4:45 PM

- Congress 101 - **.75 Points**

### Thursday, April 25, 2024

#### 10:00 AM - 11:00 AM

- Benefits of an Early Mobility Program for Hospitalized Patients – **1 Point**
- Best of Advanced Practice Abstracts – **1 Point**
- Best of Clinical Practice Abstracts – **1 Point**
- Best of Management and Staff Education Abstracts – **1 Point**
- Best of Radiation Oral Abstracts – **1 Point**
- Best of Research Abstracts – **1 Point**
- Improving Access to Palliative Radiation for All Patients – **1 Point**
- Precision Health Oncology: Focus on Post-Treatment Comorbid Diabetes – **1 Point**

#### 3:00 PM - 4:00 PM

- Best of Quality Improvement Abstracts – **1 Point**
- Hot Topics in Clinical Practice: Roundtable Discussions – **1 Point**
- Oral Abstracts: Caregiver Focus – **1 Point**
- Patient-Reported Outcomes in Clinical Research and Clinical Practice – **1 Point**
- Practicing Resilience in Your Daily Life – **1 Point**
- Project Presentations: Improving Medication Administration – **1 Point**
- Project Presentations: New Strategies to Engage and Educate – **1 Point**
- Radiopharmaceuticals: Best Practices for Radiation Oncology Nurses – **1 Point**

#### 4:15 PM - 5:30 PM

- The Impact of Climate Change on Patient Care – **1.25 Points**

## Friday, April 26, 2024

### 10:00 AM - 11:00 AM

- Hot Topics in Research: Roundtable Discussions – **1 Point**
- Oral Abstracts: Pilot Studies – **1 Point**
- Project Presentations: Novel Locations for Oncology Care – **1 Point**
- Project Presentations: Orientation and Mentoring – **1 Point**
- Project Presentations: Redefining Nursing Roles – **1 Point**
- Safe Application of Radiation Oncology in Benign Conditions – **1 Point**
- Taking a Bite out of Multiple Myeloma: Managing Toxicities Across Settings – **1 Point**
- The Nurse as an Effective Educator: Facilitating Patient-Centered Learning – **1 Point**

### 3:00 PM - 4:00 PM

- Cutting-Edge Approaches Using Artificial Intelligence for Oncology Research – **1 Point**
- Hot Topics in Management and Staff Education: Roundtable Discussions – **1 Point**
- Project Presentations: Changing Practices to Improve Symptom Management – **1 Point**
- Project Presentations: Education Beyond Orientation – **1 Point**
- Project Presentations: Quality and Safety – **1 Point**
- Radiation Tumor Board: Perspectives From the Nursing Team – **1 Point**
- Research Oral Abstracts – **1 Point**
- Transitioning High-Acuity Patients and Complex Care from Inpatient to Ambulatory Settings – **1 Point**
- Using a Self-Coaching Model to Process Grief – **1 Point**

## Saturday, April 27, 2024

### 8:15 AM - 9:45 AM

- ONS Distinguished Researcher and Victoria Mock New Investigator Lectureship – **1.5 Point**

### 10:00 AM - 11:00 AM

- 3rd Annual ONS Storytelling Session – **1 Point**
- Hot Topics in Radiation: Roundtable Discussions – **1 Point**
- Implementing a Graduate Nurse Residency Program – **1 Point**
