

Conference Session	ILNA Points	ILNA Categories
Addressing Mental Health in Cancer Care: Optimizing Interdisciplinary Psychosocial Support	1.25	Psychosocial Dimensions of Care <b>OR</b> Care of the Pediatric Hematology and Oncology Patient <b>OR</b> Quality of Life <b>OR</b> Care Continuum <b>OR</b> Coordination of Care
Treatment for Pleural and Peritoneal Mesothelioma	0.75	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Treatment
Reducing Intersectional Stigmas to Improve Outcomes in People Impacted by Cancer	0.75	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Psychosocial Dimensions of Care <b>OR</b> Nursing Practice <b>OR</b> Quality of Life <b>OR</b> Professional Practice and Roles of the APRN <b>OR</b> Care of the Pediatric Hematology and Oncology Patient
Advances in the Treatment of Non-Metastatic Non-Small Cell Lung Cancer	1	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Treatment
From Theory to Practice: Building Sustainable, High-Impact Patient Navigation Models	1	Care Continuum <b>OR</b> Coordination of Care <b>OR</b> Quality of Life
Management of Immune Checkpoint Inhibitor-Related Toxicities	1	Symptom Management, Palliative Care, Supportive Care <b>OR</b> Treatment
Innovative Strategies to Improve Patient Access	1	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Psychosocial Dimensions of Care <b>OR</b> Nursing Practice <b>OR</b> Quality of Life
Newer Approaches to Treatment of Bladder Cancer	1	Oncology Nursing Practice <b>OR</b> Treatment
Effective and Safe Telehealth Delivery and Remote Patient Monitoring	1	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Professional Performance
Team-Based Case Review: Oligometastatic Prostate, Non-Small Cell Lung, and Colorectal Cancers	1	Oncology Nursing Practice <b>OR</b> Treatment <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Artificial Intelligence in Cancer Care: Opportunities, Challenges, and Governance	1.25	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Professional Performance
The Impact of Frontline Immune Checkpoint Inhibitors on Therapy for Relapsed/Refractory Hodgkin Lymphoma	0.75	Symptom Management, Palliative Care, Supportive Care <b>OR</b> Treatment
Artificial Intelligence: Evaluation and Success Criteria for AI Tools	0.75	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Professional Performance
Updates to Management of Multiple Myeloma	1	Oncology Nursing Practice <b>OR</b> Treatment <b>OR</b> Foundations of Transplant <b>OR</b> Care Continuum <b>OR</b> Roles of the APRN
Smoking Cessation for Patients with Cancer: State of the Evidence	1	Care Continuum <b>OR</b> Quality of Life

## NCCN 2025 Annual Conference

Conference Session	ILNA Points	ILNA Categories
Expansion of Recommendations for Hereditary Cancers	1	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Quality of Life
Preparing the Oncology Nursing Workforce: Innovative Strategies and Partnerships	1	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Professional Performance
Updates in the Multidisciplinary Approach for Resectable Gastroesophageal Adenocarcinoma and Peritoneal-Limited Disease	1	Care Continuum <b>OR</b> Treatment <b>OR</b> Care Continuum <b>OR</b> Oncology Nursing Practice
Best Practices for Oncology Urgent Care	1	Symptom Management, Palliative Care, Supportive Care <b>OR</b> Oncologic Emergencies <b>OR</b> Nursing Practice <b>OR</b> Early Post-Transplant Management and Education
Management of Advanced Gastroenteropancreatic Neuroendocrine Tumors	0.75	Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Expanding the Reach of Clinical Trials	0.75	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Care Continuum <b>OR</b> Treatment
Team-Based Case Review: Hepatocellular Carcinoma	1	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Updates to the Management of Cervical Cancer	0.75	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Advances in Treatment of Recurrent Ovarian Cancer and Rare Malignant Germ Cell Tumors	1	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Advances in Head and Neck Cancers: Nasopharyngeal and Oral Cancers	1	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Updates to Systemic Therapy for Differentiated Thyroid Cancer	1	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Dental Care for Patients with Cancer: What Oncologists Need to Know	1	Care Continuum <b>OR</b> Quality of Life
Advances in Antiemesis Management for Patients with Cancer	0.75	Care Continuum <b>OR</b> Symptom Management, Palliative Care, Supportive Care <b>OR</b> Nursing Practice <b>OR</b> Early Post-Transplant Management and Education <b>OR</b> Quality of Life

## NCCN 2025 Annual Conference

Conference Session	ILNA Points	ILNA Categories
Improving Clinical Trial Accrual: Doing More with Less	0.5	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Care Continuum <b>OR</b> Treatment
New Tools for Breast Cancer Risk Assessment	0.5	Care Continuum
Treatment Updates for Small Cell Lung Cancer	0.5	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Updates in the Management of Biliary Tract Cancers	0.5	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
Updates in Metastatic Colorectal Cancer	0.75	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care

NCCN 2025 Nursing Program	ILNA Points	ILNA Categories
Venous Thromboembolism Management in Malignancy	0.75	Care Continuum <b>OR</b> Symptom Management, Palliative Care, Supportive Care <b>OR</b> Oncologic Emergencies <b>OR</b> Nursing Practice <b>OR</b> Early Post-Transplant Management and Education
Financial Toxicity of Cancer Care	0.75	Care Continuum <b>OR</b> Psychosocial Dimensions of Care <b>OR</b> Quality of Life
Hereditary Cancer Syndromes: MSK CATCH Program (Comprehensive Assessment, Treatment, and Prevention of Cancers with Hereditary Dispositions)	0.75	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Quality of Life
Remembrance and Renewal: A Holistic Self-Care Program for Oncology Clinicians	0.75	Oncology Nursing Practice <b>OR</b> Pediatric Hematology and Oncology Nursing Practice <b>OR</b> Nursing Practice <b>OR</b> Professional Practice/Performance
Ambulatory Care Models	0.75	Care Continuum <b>OR</b> Oncology Nursing Practice <b>OR</b> Psychosocial Dimensions of Care <b>OR</b> Nursing Practice <b>OR</b> Quality of Life
Updates in Melanoma: A Focus on Neoadjuvant Approaches	0.75	Care Continuum <b>OR</b> Treatment <b>OR</b> Oncology Nursing Practice <b>OR</b> Symptom Management, Palliative Care, Supportive Care
CRS and ICANS Management in CAR T/Bispecific Antibody Therapies	0.75	Transplant Process and Infusion <b>OR</b> Early Post-Transplant Management and Education <b>OR</b> Symptom Management, Palliative Care, Supportive Care <b>OR</b> Oncologic Emergencies
