

# ILNA CHEAT SHEET

---

## TANDEM NURSING TRACK 2026

One contact hour equals one renewal point. Refer to the number of contact hours for each session to determine the number of points. Some sessions may apply to more than one category, but you cannot claim points for the same session twice.

### CARE CONTINUUM

#### Friday, February 6

**9:15 AM – 10:00 AM**

- ☐ Immunization Strategies in HSCT and CAR-T: A Nursing Perspective on Protecting immunocompromised Patients – **0.75 Points**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

#### Saturday, February 7

**2:00 PM – 3:00 PM**

- ☐ Addressing Social Determinants of Health to Improve Access to Cell Therapy – **1 Point**

### CARE OF THE PEDIATRIC HEMATOLOGY AND ONCOLOGY PATIENT

#### Friday, February 6

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

#### Saturday, February 7

**1:00 PM – 2:00 PM**

- ☐ Training T Cells and Teams: CAR-T for Solid Tumors in Local Oncology Settings – **1 Point**
- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

### DISEASE RELATED BIOLOGY

#### Saturday, February 7

**1:00 PM – 2:00 PM**

- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

### FOUNDATIONS OF TRANSPLANT

#### Friday, February 6

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

#### Saturday, February 7

**1:00 PM – 2:00 PM**

- ☐ Training T Cells and Teams: CAR-T for Solid Tumors in Local Oncology Settings – **1 Point**
- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

### HEALTH MAINTENANCE

#### Friday, February 6

**9:15 AM – 10:00 AM**

- ☐ Immunization Strategies in HSCT and CAR-T: A Nursing Perspective on Protecting immunocompromised Patients – **0.75 Points**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

## HSCT AND CELLULAR THERAPY PROCESS AND ADMINISTRATION

**Friday, February 6**

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**Saturday, February 7**

**1:00 PM – 2:00 PM**

- ☐ Training T Cells and Teams: CAR-T for Solid Tumors in Local Oncology Settings – **1 Point**
- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

## ONCOLOGIC EMERGENCIES

**Friday, February 6**

**11:15 AM – 12:00 PM**

- ☐ Balancing the Flow: IV Fluid Strategies and VOD Insights – **0.75 Points**

## ONCOLOGY NURSING PRACTICE

**Friday, February 6**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

## POST CELLULAR THERAPY MANAGEMENT & EDUCATION

**Friday, February 6**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

## POST HSCT THERAPY MANAGEMENT & EDUCATION

**Saturday, February 7**

**1:00 PM – 2:00 PM**

- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

## PROFESSIONAL PRACTICE

**Friday, February 6**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

**Saturday, February 7**

**10:30 AM – 12:00 PM**

- ☐ Hot Topics in Nursing Facilitated Roundtables – **1.5 Points**

## PSYCHOSOCIAL

**Friday, February 6**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

**Saturday, February 7**

**8:15 AM – 9:15 AM**

- ☐ The Second Patient: Caregiver Wellness in HSCT Treatment Pathways – **1 Point**

**2:00 PM – 3:00 PM**

- ☐ Addressing Social Determinants of Health to Improve Access to Cell Therapy – **1 Point**

## Symptom Management

**Friday, February 6**

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**11:15 AM – 12:00 PM**

- ☐ Balancing the Flow: IV Fluid Strategies and VOD Insights – **0.75 Points**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**Saturday, February 7**

**1:00 PM – 2:00 PM**

- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

## TRANSPLANT PROCESS AND INFUSION

**Friday, February 6**

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**Saturday, February 7**

**1:00 PM – 2:00 PM**

- ☐ Training T Cells and Teams: CAR-T for Solid Tumors in Local Oncology Settings – **1 Point**
- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

## TREATMENT

**Friday, February 6**

**8:15 AM – 9:15 AM**

- ☐ Hematopoietic Stem Cell Transplantation (HSCT): Transfusion Medicine Support Considerations – **1 Point**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**Saturday, February 7**

**1:00 PM – 2:00 PM**

- ☐ Training T Cells and Teams: CAR-T for Solid Tumors in Local Oncology Settings – **1 Point**
- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

## QUALITY OF LIFE

**Friday, February 6**

**9:15 AM – 10:00 AM**

- ☐ Immunization Strategies in HSCT and CAR-T: A Nursing Perspective on Protecting immunocompromised Patients – **0.75 Points**

**1:15 PM – 2:15 PM**

- ☐ CAR T-cell Therapy, the Infectious Diseases Perspective – **1 Point**

**3:15 PM – 4:30 PM**

- ☐ Psycho-Oncology Considerations for Optimizing Patient Well-Being and Managing Behavioral Complexity in Transplant Care – **1.25 Points**

**Saturday, February 7**

**8:15 AM – 9:15 AM**

- ☐ The Second Patient: Caregiver Wellness in HSCT Treatment Pathways – **1 Point**

**1:00 PM – 2:00 PM**

- ☐ Hope in Hematopoiesis: Pediatric Approaches to Bone Marrow Failure Syndromes – **1 Point**

**2:00 PM – 3:00 PM**

- ☐ Addressing Social Determinants of Health to Improve Access to Cell Therapy – **1 Point**
