

ILNA CHEAT SHEET

ONS CONGRESS® 2026

One contact hour equals one renewal point. Refer to the number of contact hours for each session to determine the number of points. Some sessions may apply to more than one category, but you cannot claim points for the same session twice.

CARE CONTINUUM

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**

3:15PM – 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**
- Palliative Care Reimagined: Early Referrals, Nursing Leadership, and Holistic Support – **2 Points**

Thursday, May 14, 2026

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**
- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**
- Using Cloud-Based Solutions to Streamline Radiation Planning and Enhance Multidisciplinary Care – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**
- Managing Surgical Pain: Pre- and Postoperative Approaches for Optimal Recovery – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**
- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**
- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**
- Read Between the Lines: Health Literacy's Role in Recovery – **1 Point**

4:15PM – 5:15PM

- Bridging the Gap: Interprofessional Communication Across Oncology Care and Research – **1 Point**
- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

10:00AM - 11:00AM

- Head and Neck Cancer: Staying Ahead of Common Treatment Side Effects - **1 Point**

3:00PM - 4:00PM

- Bringing Specialized Care Closer to Home Through Local Healthcare Partnerships - **1 Point**

4:15PM – 5:15PM

- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**
- The Impact of Social Determinants of Health: From Screening to Survivorship – **1 Point**

Sunday, May 17, 2026

8:15AM – 9:15AM

- Not Just Surviving: Rebuilding Self and Story After Cancer – **1 Point**

9:15AM – 10:45AM

- The Latest in FDA Approvals and Their Clinical Applications – **1.5 Points**

CARE OF THE PEDIATRIC HEMATOLOGY AND ONCOLOGY PATIENT

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Restoring the Heartbeat of Care: Compassion for Nurses – **2 Points**
- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**

3:15PM – 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**
- Navigating and Networking ONS Congress – **2 Points**

Thursday, May 14, 2026

8:00AM – 9:30AM

- Opening and Keynote: Elevating Oncology Nursing Through Advocacy and Action – **0.75 Points**

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**
- From Knowledge to Confidence: Equipping Non-Bedside Oncology Nurses for Success – **1 Point**
- How Nurse Scientists Influence and Drive Care at the Bedside – **1 Point**

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**
- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**
- Using Cloud-Based Solutions to Streamline Radiation Planning and Enhance Multidisciplinary Care – **1 Point**

4:14PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**
- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**
- Role of the Nurse Scientist in Developing Nursing Practice – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**
- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**
- Read Between the Lines: Health Literacy's Role in Recovery – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

8:00AM – 9:30AM

- Speak Up, Stand Strong: Advocacy and Civility in Action – **1.5 Points**

10:00AM – 11:00AM

- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**

- Human First, Tech Forward: Nursing in the Age of AI – **1 Point**

3:00PM – 4:00PM

- Showcasing the New Extravasation Treatment Guidelines: An Expert-Led Session – **1 Point**

COORDINATION OF CARE

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**

3:15PM – 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**
- Managing Surgical Pain: Pre- and Postoperative Approaches for Optimal Recovery – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**

3:00PM – 4:00PM

- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**

DISEASE RELATED BIOLOGY

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**

FOUNDATIONS OF TRANSPLANT/ HSCT AND CELLULAR THERAPY

Wednesday, May 13, 2026

3:15PM – 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Point**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

Friday, May 15, 2026

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

FUNDAMENTALS OF RADIATION ONCOLOGY

Thursday, May 14, 2026

3:00PM – 4:00PM

- Using Cloud-Based Solutions to Streamline Radiation Planning and Enhance Multidisciplinary Care – **1 Point**

Friday, May 15, 2026

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

HSCT AND CELLULAR THERAPY PROCESS AND ADMINISTRATION

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Point**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

LATE POST TRANSPLANT MANAGEMENT AND EDUCATION

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

MULTI-MODALITY THERAPIES

Thursday, May 14, 2026

3:00PM – 4:00PM

- Using Cloud-Based Solutions to Streamline Radiation Planning and Enhance Multidisciplinary Care – **1 Point**

Friday, May 15, 2026

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

NURSING PRACTICE

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Restoring the Heartbeat of Care: Compassion for Nurses – **2 Points**
- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Points**

Thursday, May 14, 2026

8:00AM – 9:30AM

- Opening and Keynote: Elevating Oncology Nursing Through Advocacy and Action – **0.75 Points**

10:00AM – 11:00AM

- How Nurse Scientists Influence and Drive Care at the Bedside – **1 Point**
- From Knowledge to Confidence: Equipping Non-Bedside Oncology Nurses for Success – **1 Point**

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**

4:15PM – 5:15PM

- Managing Surgical Pain: Pre- and Postoperative Approaches for Optimal Recovery – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**
- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

10:00AM – 11:00AM

- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**

3:00PM – 4:00PM

- Showcasing the New Extravasation Treatment Guidelines: An Expert-Led Session – **1 Point**

4:15PM – 5:15PM

- The Impact of Social Determinants of Health: From Screening to Survivorship – **1 Point**

Sunday, May 17, 2026

9:15AM – 10:45AM

- The Latest in FDA Approvals and Their Clinical Applications – **1.5 Points**

ONCOLOGIC EMERGENCIES

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Points**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

ONCOLOGY NURSING PRACTICE

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**
- Restoring the Heartbeat of Care: Compassion for Nurses – **2 Points**

3:15PM – 5:15PM

- Navigating and Networking ONS Congress – **2 Points**
- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**

Thursday, May 14, 2026

8:00AM – 9:30AM

- Opening and Keynote: Elevating Oncology Nursing Through Advocacy and Action – **0.75 Points**

10:00AM – 11:00AM

- From Knowledge to Confidence: Equipping Non-Bedside Oncology Nurses for Success – **1 Point**
- How Nurse Scientists Influence and Drive Care at the Bedside – **1 Point**

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**
- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

4:15PM – 5:15PM

- Managing Surgical Pain: Pre- and Postoperative Approaches for Optimal Recovery – **1 Point**
- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**
- Role of the Nurse Scientist in Developing Nursing Practice – **1 Point**

Friday, May 15, 2026

3:00PM – 4:00PM

- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**
- Read Between the Lines: Health Literacy's Role in Recovery – **1 Point**
- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of "Prehab" in Oncology Care – **1 Point**
- Victoria Mock New Investigator Lectureship* and ONS Distinguished Nurse Researcher Lectureship – **1 Point**

Saturday, May 16, 2026

8:00AM – 9:30AM

- Speak Up, Stand Strong: Advocacy and Civility in Action – **1.5 Points**

10:00AM – 11:00AM

- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**
- Human First, Tech Forward: Nursing in the Age of AI – **1 Point**
- Head and Neck Cancer: Staying Ahead of Common Treatment Side Effects - **1 Point**

3:00PM – 4:00PM

- Showcasing the New Extravasation Treatment Guidelines: An Expert-Led Session – **1 Point**
- Bringing Specialized Care Closer to Home Through Local Healthcare Partnerships - **1 Point**

4:15PM – 5:15PM

- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**

PEDIATRIC HEMATOLOGY ONCOLOGY NURSING PRACTICE

Wednesday, May 13, 2026

3:15PM- 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**
- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**

3:00PM – 4:00PM

- Read Between the Lines: Health Literacy's Role in Recovery – **1 Point**
- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of "Prehab" in Oncology Care – **1 Point**
- Victoria Mock New Investigator Lectureship* and ONS Distinguished Nurse Researcher Lectureship – **1 Point**

Friday, May 15, 2026

8:00AM – 9:30AM

- Speak Up, Stand Strong: Advocacy and Civility in Action – **1.5 Point**

Saturday, May 16, 2026

10:00AM – 11:00AM

- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**
- Human First, Tech Forward: Nursing in the Age of AI – **1 Point**

4:15PM – 5:15PM

- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**

POST CELLULAR THERAPY MANAGEMENT AND EDUCATION

Thursday, May 14, 2026

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

POST HSCT MANAGEMENT AND EDUCATION

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Points**

Thursday, May 14, 2026

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

PROFESSIONAL PRACTICE/ PERFORMANCE

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**
- Restoring the Heartbeat of Care: Compassion for Nurses – **2 Points**

3:15PM – 5:15PM

- Navigating and Networking ONS Congress – **2 Points**
- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**

Thursday, May 14, 2026

8:00AM – 9:30AM

- Opening and Keynote: Elevating Oncology Nursing Through Advocacy and Action – **0.75 Points**

10:00AM – 11:00AM

- How Nurse Scientists Influence and Drive Care at the Bedside – **1 Point**
- Evidence Based Practice/Quality Improvement Best Abstracts – **1 Point**
- From Knowledge to Confidence: Equipping Non-Bedside Oncology Nurses for Success – **1 Point**

3:00PM – 4:00PM

- Project Presentations: Nursing Education – **1 Point**
- Research Best Abstracts – **1 Point**
- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**
- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

4:15PM – 5:15PM

- Nursing Workforce Reimagined: Innovative Staffing Models for a Resilient Future – **1 Point**
- Project Presentations: Radiation – **1 Point**
- Project Presentations: Stem Cell Transplant - **1 Point**

Friday, May 15, 2026

6:00AM – 7:30AM

- ONCC Recognition Breakfast for Oncology Certified Nurses* - **1 Point**

8:00AM – 9:30AM

- Oncology Nursing Foundation Presents the Annual Quality of Life Lecture: Staging Loss – **1.5 Point**

10:00AM – 11:00AM

- Project Presentations: Education Beyond Oncology – **1 Point**
- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**
- Role of the Nurse Scientist in Developing Nursing Practice – **1 Point**
- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**
- Project Presentations: Inpatient Processes – **1 Point**

3:00PM – 4:00PM

- Research Oral Abstracts #2 – **1 Point**
- Project Presentations: Access to Care – **1 Point**
- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**
- Read Between the Lines: Health Literacy’s Role in Recovery – **1 Point**

Friday, May 15, 2026

4:15PM – 5:15PM

- Victoria Mock New Investigator Lectureship* and ONS Distinguished Nurse Researcher Lectureship – **1 Point**
- Project Presentations: Bispecific and Cellular Therapy Readiness – **1 Point**
- Project Presentations: Symptom Management – **1 Point**
- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

8:00AM – 9:30AM

- Speak Up, Stand Strong: Advocacy and Civility in Action – **1.5 Points**

10:00AM – 11:00AM

- Human First, Tech Forward: Nursing in the Age of AI – **1 Point**
- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**
- Project Presentations: Vascular Access Devices – **1 Point**
- Research Oral Abstracts #3 – **1 Point**
- Head and Neck Cancer: Staying Ahead of Common Treatment Side Effects – **1 Point**

3:00PM – 4:00PM

- Showcasing the New Extravasation Treatment Guidelines: An Expert-Led Session – **1 Point**
- Project Presentations: Patient Education – **1 Point**
- Bringing Specialized Care Closer to Home Through Local Healthcare Partnerships – **1 Point**

4:15PM – 5:15PM

- Project Presentations: Professional Development – **1 Point**
- Project Presentations: Outpatient Operations – **1 Point**
- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**
- ONS and AACR Bench to Bedside Lecture: AI in Cancer Care: Streamlining Patient-Trial Matching – **1 Point**

PSYCHOSOCIAL DIMENSIONS OF CARE

Thursday, May 14, 2026

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**
- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**
- Read Between the Lines: Health Literacy’s Role in Recovery – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

4:15PM – 5:15PM

- The Impact of Social Determinants of Health: From Screening to Survivorship – **1 Point**

Sunday, May 17, 2026

8:15AM – 9:15AM

- Not Just Surviving: Rebuilding Self and Story After Cancer – **1 Point**

QUALITY OF LIFE

Wednesday, May 13, 2026

3:15PM – 5:15PM

- Palliative Care Reimagined: Early Referrals, Nursing Leadership, and Holistic Support – **2 Points**

Thursday, May 14, 2026

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**
- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

4:15PM – 5:15PM

- Bridging the Gap: Interprofessional Communication Across Oncology Care and Research – **1 Point**
- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

Saturday, May 16, 2026

4:15PM – 5:15PM

- The Impact of Social Determinants of Health: From Screening to Survivorship – **1 Point**
- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**

Sunday, May 17, 2026

8:15AM – 9:15AM

- Not Just Surviving: Rebuilding Self and Story After Cancer – **1 Point**

RADIATION SAFETY

Thursday, May 14, 2026

3:00PM – 4:00PM

- Using Cloud-Based Solutions to Streamline Radiation Planning and Enhance Multidisciplinary Care – **1 Point**

Friday, May 15, 2026

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**

Saturday, May 16, 2026

4:15PM – 5:15PM

- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**

ROLES OF THE APRN

Wednesday, May 13, 2026

1:00PM – 3:00PM

- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Point**

3:15PM – 5:15PM

- Genes, Data, and Decisions: Leading Nursing Practice in Precision Oncology – **2 Points**

Thursday, May 14, 2026

10:00AM – 11:00AM

- How Nurse Scientists Influence and Drive Care at the Bedside – **1 Point**

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**
- Redefining Navigation: Strategies to Maximize Role Clarity and Efficiency – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- Oncology Navigation: Worldwide Challenges and Solutions – **1 Point**
- Role of the Nurse Scientist in Developing Nursing Practice – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**
- Read Between the Lines: Health Literacy’s Role in Recovery – **1 Point**

Saturday, May 16, 2026

10:00AM – 11:00AM

- Human First, Tech Forward: Nursing in the Age of AI – **1 Point**
- Navigating Hope and Healing: The Specialized Role of the Oncology Clinical Trials Nurse – **1 Point**

SURVIVORSHIP

Thursday, May 14, 2026

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**

4:15PM – 5:15PM

- Speaking to the Soul: Integrating Spirituality and Shared Decision-Making in Cancer Care – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

3:00PM – 4:00PM

- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**

SYMPTOM MANAGEMENT, PALLIATIVE CARE, SUPPORTIVE CARE

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Points**
- From Risk to Response: Navigating Germline Variants in Patient Care – **2 Points**

3:15PM – 5:15PM

- Palliative Care Reimagined: Early Referrals, Nursing Leadership, and Holistic Support – **2 Points**

Thursday, May 14, 2026

10:00AM – 11:00AM

- Ethical Dilemmas in Treating People Unable to Participate in Shared Decision Making – **1 Point**

3:00PM – 4:00PM

- Target. Engage. Destroy: The BiTE™ Revolution in Cancer Treatment – **1 Point**

4:15PM – 5:15PM

- Managing Surgical Pain: Pre- and Postoperative Approaches for Optimal Recovery – **1 Point**

Friday, May 15, 2026

10:00AM – 11:00AM

- What to Know About Long-Term Endocrine Toxicities of Checkpoint Inhibitors – **1 Point**

3:00PM – 4:00PM

- Radiation 201: Elevating Patient Care Through Advanced Techniques – **1 Point**
- Adherence, Cost, and Combination Therapy: Addressing Oral Anticancer Agent Management Issues – **1 Point**

4:15PM – 5:15PM

- Optimizing Outcomes: The Role of “Prehab” in Oncology Care – **1 Point**
- Bridging the Gap: Interprofessional Communication Across Oncology Care and Research – **1 Point**

Saturday, May 16, 2026

10:00AM - 11:00AM

- Head and Neck Cancer: Staying Ahead of Common Treatment Side Effects - **1 Point**

3:00PM – 4:00PM

- Showcasing the New Extravasation Treatment Guidelines: An Expert-Led Session – **1 Point**

Sunday, May 17, 2026

9:15AM – 10:45AM

- The Latest in FDA Approvals and Their Clinical Applications – **1.5 Points**

TRANSPLANT PROCESS AND INFUSION

Wednesday, May 13, 2026

1:00PM – 3:00PM

- Managing Structural vs. Metabolic Emergencies in Bedside and Ambulatory Settings – **2 Points**

Saturday, May 16, 2026

4:15PM – 5:15PM

- Building a Radiation Pharmaceutical Safety Program Across the Care Continuum – **1 Point**

TREATMENT

Wednesday, May 13, 2026

1:00PM – 3:00PM
