

Overview

The Oncology Nursing Certification Corporation (ONCC) is a non-profit organization that develops, administers, and evaluates programs for certification in oncology nursing. ONCC was incorporated in 1984 and is governed by a Board of Directors, who represent various levels of certification in oncology nursing and the public at large. ONCC administered its first certification examination, the Oncology Certified Nurse (OCN[®]) examination in 1986. Today, ONCC offers eight credential programs. More than 41,000 nurses are currently certified by ONCC.
